This event will bring the community together in collaboration with the World Language and MAG Clubs to celebrate different cultures and the Barberton magic. There will be food and fun activities for all ages to enjoy. This event will be a great way to meet others and learn about our students and the different cultures that make up our district!

We welcome you to bring food or traditional items that represent your culture.

This event is free and open to the entire community. Please visit the website for more information: [BarbertonSchoolsESL.weebly.com](http://BarbertonSchoolsESL.weebly.com)
