

PHARMACY

One of the many benefits AxessPointe has to offer is our on-site pharmacies. As part of our comprehensive care model, our pharmacists are in direct contact with your physician and have access to your medical records and labs. All of this ensures that you are on the most appropriate, cost-effective, safe and convenient medication.

INSURANCE

We accept Medicaid, Medicare and most major private insurance plans.

DON'T HAVE INSURANCE? NO PROBLEM!

We offer a sliding-fee scale for patients without coverage. The scale is available for those who are eligible. Fees are dependent upon family size and income.

BEHAVIORAL

At AxessPointe, we have an integrated approach to care and screen during medical visits to see if any behavioral issues are present. In the case that additional services are needed, our behavioral health team can assist you with: mental health, substance abuse conditions, improving wellness behaviors, life stressors, crises and stress-related physical symptoms.

CERTIFIED APPLICATION COUNSELORS

Our trained Certified Application Counselors are here to help you understand, apply and enroll for commercial insurance and/or Medicaid. Call any of our locations to speak with a counselor and learn more.
