

Community Health Center

ADOLESCENT TREATMENT PROGRAM

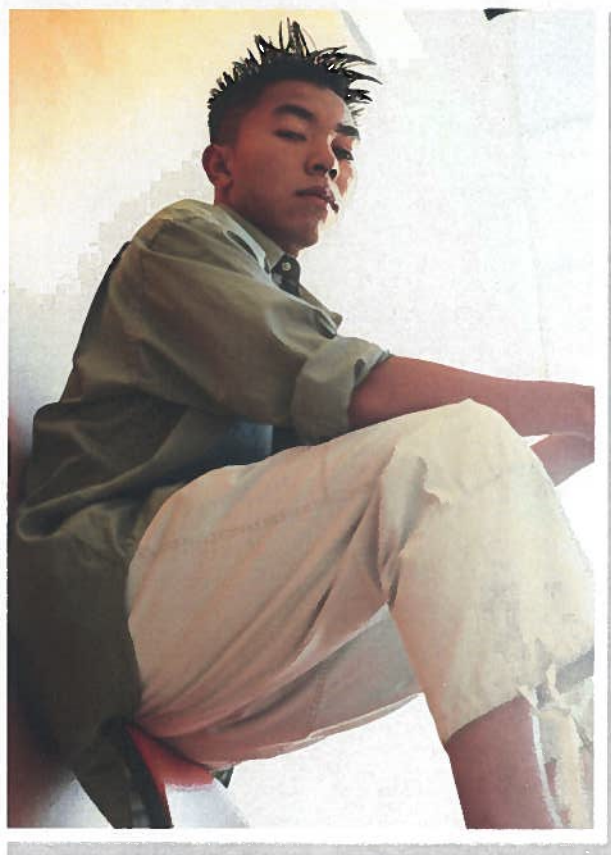

The area's most comprehensive program for teens and young adults struggling with substance abuse and mental health issues.

Our program is designed to help address the following problems:

- *Substance abuse*
- *Depression/Anxiety*
- *Family problems*
- *Trauma*

In addition to our individual evidence-based programming we offer:

- *Office, home and school-based counseling*
- *Opiate treatment program*
- *Urine drug screening*
- *IOP (Intensive Group)*
- *Psychiatry*
- *After school hours and much more!*

Youth ages 12-21 are eligible for CHC's Adolescent Programming.
Most insurance and Medicaid accepted.

Questions? Call 330-315-2624 to schedule an appointment or
call our Adolescent Dept. to learn more at 330-315-3789.
