Dr. Habegger spoke about the Report Card

- Indicators - Discussed similar districts and how we compared to them. Congratulations to to improving in 18 out of 23.
- Value added - Scores come out in mid-October. We are showing improvement but not enough. Language Arts would have had a C and Math showed improvement in every grade.
- Gap Closing - Shelly explained subgroups and how they come up with the #'s we receive. This is where we get our 5 step process.
- Prep for next meeting. Spend ½ hour looking at your building's report card. Pick an area and contact Shelly with questions or comments for the next mtg.
- Dr. Habegger explained what teachers will be doing on PD day with matching standards to the question, highlight critical standards and put on a grid.

Dr. Habegger spoke about research that shows 85% of standards is vocabulary. On Friday Annette Wesolowski & Brittany LaCroix will do a presentation and work with teachers on cleaning up the vocabulary lists.

Building Principal Report

- BHS - Henry reported BLT's focus on content with an emphasis on vocabulary. Using words on announcements, one teacher using flash cards.
- BMS - Mike reported BLT's reviewed the webinar on BLT to strengthen the TBT's. Vocabulary - Waiting till Friday to decide how to roll out and track. Lot's of ideas - announcements, word wall, flash cards. Math - Starting a new program Math Facts in a Flash.
- BEW - Brenda reported BLT's looking at doing building words. BLT's took to grade level. Doing word of the week on announcements, put words up on the wall in the cafeteria. Math - Time test Tuesday - doing grid sheet to track.
- BEE - Ken reported BLT's watched webinar on BLT supporting TBT's. Math - Time Test Tuesday. Specials doing vocabulary with each grade level.
