### Our School Resource Officer...Officer Cheatham

Barberton Elementary West is very lucky to have our very own School Resource Officer. Not all elementary schools are fortunate enough to have a full-time officer in the building. Last year, both elementary schools were able to provide our students with this service.

**School resource officers** (SROs) are sworn law enforcement officers who are responsible for providing security and crime prevention services in schools. They work closely with administration to create a safe environment for students and staff. SROs have the same jurisdictions as regular police officers...they can respond to calls, make arrests and document any incidents. SROs should be used a resource for students, parents, teachers and administrators.

We are lucky to have Officer Kenneth Cheatham at BEW as our Student Resource Officer. Officer Cheatham comes to us

with 18 previous experience as a SRO at Barberton High School. Prior to that, he spent 7 years on the police force at the Barberton Police Department. Officer Cheatham is a graduate of BHS and his two daughters are graduates of BHS. He is committed to making Barberton a safer place.

Officer Cheatham brings his friendly smile and encouraging words to our students at BEW. He partners with administration and our counselors to coach students in situations. Sometimes, he is asked to do home visits to check on residency or attendance concerns. His favorite part of the day, however, is joining our students for

lunch in the cafeteria. He likes to talk to our students as he gets to know more about them and what makes our young students motivated to succeed. Last year, he started the SRO Award which recognizes students who have improved in areas of academics, behavior, attendance or social skills. With administration, he celebrates with them by providing lunch for them. So far, he has recognized over 150 students through this program. Officer Cheatham is now helping us to spread the word to our students about **“See Something, Say Something.”**

Please know, if you ever have a concern, you can always come talk to Officer Cheatham! He is the eyes and ears of our school!
