## CAUGHT DOING THEIR JOB!

The following BEE students were rewarded with “Do Your Job” t-shirts for going above and beyond in demonstrating their commitment to following our BEE Pledge each day. Students are nominated by staff when they are caught doing their job without being asked or prompted. Congratulations to the following students. We hope to add more and more students to this list!

The program will kickoff on Friday, March 22nd with student assemblies and will run through Friday, March 29th.
