Last Day of School for Students

This is the time of year our students' growth really stands out. In addition to completing tasks that were once difficult for them, they look older and much taller than when they arrived at the beginning of the school year.

We have many fun end of year activities planned for students to enjoy and create good memories.

The Barberton City School District Board of Education meeting will be held at Barberton Elementary

School East this month. Niah Becton and Thomas Cox will be recognized by the Board of Education as Rising Stars for their hard work and dedication to learning. Mrs. Julie Watts and Mr. Ryan Olsen will share a lesson that shows how Barberton Elementary School East teachers are presenting fun, engaging lessons to instill a love for learning in our students. Miss Hartman will assist Mr. Wagner by leading our second graders in

song to feature the musical talent developed in our students. All are welcome to attend.

I look forward to seeing our fourth grade families at our BEE 4th Grade Farewell Ceremony June 4th at 10:00 a.m. Parents may sign their students out after the ceremony. Please send a signed note if your 4th grader will be signed out by a friend or relative after the ceremony.

Odds 'N Ends:

☺ BE A PART OF THE

MAGIC.....The Barberton Board of Education is looking for dependable, hardworking, motivated individuals interested in **substitute** work in the cafeteria (kitchen experience preferred) or in the classroom as a teacher aide substitute. All applicants must pass a background check. Please apply in person at the administration building between the hours of 8:00 a.m. and 4:00 p.m. or on line @ www.barbertoncityschools.org

☺ For liability reasons, do not drop children off at school before 8:15 a.m. Latchkey is available for children who need to arrive before school is open. There is no supervision until 8:15.

BEE Activities

- ☺ Mrs. Holly Maxwell's and Mrs. Julie Watts' classrooms have teamed up for an Earth Day project for our building. They have worked on sprucing up our schoolyard by putting many hours into weeding, digging, and planting. Many thanks goes out to Van Tassel Feed & Garden Center for their generosity in providing a tremendous discount on supplies to make this possible.
- ☺ Field Day for kindergarten, 1st, and 2nd grades is planned for Thursday, May 21st right here at BEE. Mr. Hance is asking that each grade level wear a specific color shirt: Kindergarten=purple; 1st = white; and 2nd = gray.
- ☺ Field Day for 3rd and 4th graders is planned for Friday, May 22nd at Tuscarawas Park. Mr. Hance is asking 3rd graders to wear white shirts and 4th graders to wear purple shirts.
- ☺ BEE is grateful to our Barberton High School's National Honor Society for reading "Click, Clack, Moo" to our kindergarteners to prepare them for their upcoming field trip to a Magical Theatre performance of the book.
- ☺ BHS Football Coach Gotto will be bringing team members and cheerleaders to read to classrooms on May 19th. We thank them for their time.
- ☺ MAP Testing for Students will occur May 11th through May 22nd. Please watch classroom newsletters for your child's schedule.

BESE PTA Corner

Thank you to the many volunteers who made our BEE Carnival a huge success!

Important Dates:

- ☺ May 12—BEE PTA Meeting (Media Center) 1:00 p.m.
