**(130/15) MOTION was made by Polacek second by Eberhart to approve the following Memorandum of Agreement between the Barberton City Schools District Board of Education (“Board”) and the Barberton Education Association (“BEA”)/OEA/NEA on teacher/tutor recall language as referenced in ORC §3319.17 Reduction in number of teachers – restoration language.**

This Memorandum of Understanding is entered into on the 28<sup>th</sup> day of May, 2015, by and between the Barberton City School District Board of Education (“Board”) and the Barberton Education Association (“Association”), and modifies the Negotiated Agreement which is in effect from June 28, 2014 through August June 27, 2017, in the following respect. This modification will become effective June 1, 2015 and will become a part of the Negotiated Agreement.

**ARTICLE VII APPOINTMENTS, ASSIGNMENTS, AND TRANSFERS****C. Transfers and Reduction in Force****1. Voluntary Transfers**

- a. Any teacher desiring a transfer may file a Transfer Request for the following year.
- b. Teachers may submit Transfer Requests for a specific position or may make a general request indicating their personal desires.
- c. As vacancies for the new school year are being filled, all Transfer Requests on file will be considered before new employees are assigned.
- d. A Transfer Request will be considered valid until the opening of the new school year, unless the teacher requests its cancellation at an earlier date.
- e. Before a new school year begins, a written notice shall be sent by the personnel office to all unsuccessful applicants for transfer.
- f. Transfer Request forms will be available in each building.
- g. All vacancies shall be posted for six (6) school days in each building's main office bulletin board before applicants for the position are considered. From the last day of school through the last day of July, notices of vacancies shall be posted on the district's email and website. Between August 1 and the first day of classes, oral and written notification of all vacancies shall be given to the Association President.

*Barberton Board of Education*

Regular Meeting

BHS A-150

2. **Involuntary Transfers**

An involuntary transfer shall be initiated by a conference between the Superintendent, or his/her designee, and the affected teacher. Written notice shall be given to the teacher as soon as practicable and, under normal circumstances, not later than the end of the school year. An involuntary transfer will have a rational basis.

3. **Reduction in Force**

- a. If the Board suspends teaching contracts pursuant to O.R.C. 3319.17 or for financial reasons solely determined by the Board, seniority shall be determined by length of continuous service in the Barberton City School District. Continuous service shall not be broken by authorized leaves of absence, but will be broken by a resignation or any other termination (excluding suspensions) of employment.
- b. Retention of bargaining unit members and recall of eligible teachers whose contracts have been suspended pursuant to a reduction in force will not be based upon seniority, except in circumstances when choosing between teachers with comparable evaluations. The application of the term “comparable” as applied to teacher evaluations shall occur in accordance with the Board adopted, standards-based teacher evaluation policy defining that term.
- c. For 2014 -15, all teachers’ evaluations are deemed comparable.
- d. For the transition period beginning on June 30, 2015, comparable shall be defined in relation to the teacher’s effectiveness rating as determined by the OTES teacher performance rubric as aligned with the Ohio Standards for the Teaching Profession and the student growth component will not be used as a determinant in making evaluation comparisons for reductions in force. For this period, all ratings above “Ineffective” will be considered comparable. Thereafter, unless the parties agree otherwise, comparability will be determined in relation to the effectiveness ratings set forth in Ohio Revised Code Section 3319.111 and 3319.12.
- e. Beginning with the 2016 - 17 school year, teachers ranked “Skilled and Developing” on their final summative rating will be deemed comparable for any reduction in force. Prior to initiation of successor contract negotiations, the Evaluation Review Committee will make a recommendation to the parties on the issue of comparability for purposes of reduction in force.
- f. When the position(s) to be eliminated or reduced in part to accomplish RIF has been determined, the following order shall be followed to determine the order of reducing the number of bargaining unit employees:

If reductions are necessary, limited contract teachers shall first be reduced in the affected teaching fields (certification/licensure) utilizing the following order:

- a) Comparable evaluations.

*Barberton Board of Education*

Regular Meeting

May 27, 2015

BHS – A150

- b) When evaluations are comparable, seniority in the District shall prevail, with the contract of the least senior limited contract teacher in the affected teaching field the first to be suspended.
- g. All BEA Members currently on a Reduction in Force shall retain the rights guaranteed under the Collective Bargaining Agreement in affect at the time of their reduction.
- h. Teachers whose contracts are suspended shall forthwith be placed on a Recall List, a copy of which shall be given to the BEA President. No new teachers shall be employed by the Board while there are teachers on the Recall List who are certified/licensed for the particular position the Board intends to fill.
- i. A teacher whose name appears on the Recall List shall be offered reemployment when a position becomes available for which he/she is certificated/licensed. Appropriately teachers shall be returned to active employment in reverse order of reduction based on licensure and comparable evaluations, as described in subsections c and d above. In all cases, continuing contract teachers, if any, shall have preference over limited contract teachers. The following shall apply.
  - 1. The Board shall recall the teacher to active employment by giving written notice by registered mail to the teacher. It shall be the responsibility of each teacher to notify the Board of any change of address. The teacher's address, as it appears on the Board's records, shall be conclusive when used in connection with an offer of re-employment.
  - 2. If a teacher does not accept re-employment in writing, postmarked within fifteen (15) days from the date said notice was delivered unless an extension is granted in writing by the Superintendent, said teacher shall be considered to have rejected the recall and shall be permanently removed from the Recall List.
  - 3. Each teacher shall remain on the Recall list for twenty-seven (27) months from the teacher's last day of active service, unless the teacher fails to accept recall or waives his/her recall rights in writing.
  - 4. A teacher who is recalled shall be credited with the sick leave accumulation and years of service for salary schedule placement that the teacher had at the time of contract suspension, plus any additional sick leave or service earned in the interim by teaching in any other Ohio district.
- j. Tutors whose contracts have been suspended due to a reduction in force shall be placed on a seniority list for their respective classification only and the current negotiated reduction in force procedures shall be applied.

*Barberton Board of Education*

- k. However, all tutors including those on the recall list, shall be notified of teaching vacancies, including vacancies which occur during summer months when school is not in session, for which they have a valid teaching certificate on file. Those on the recall list who apply for said vacancies shall be granted an interview for the vacant position.
- l. In the first week of February, the Administration will post in each school building a Seniority List, a copy to be provided to the BEA President, of staff members with continuing and limited contracts. The Seniority List will identify years of service, the date the teacher was hired by official action of the Board, certification (s) currently on file, current assignment, and system wide seniority.
- m. Within ten (10) school days of the posting date of the Seniority List, any corrections to the Seniority List by staff members will be given to the Personnel Office, and a copy of the same will be provided to the BEA President. A final corrected Seniority List will be posted during the last week of February. Thereafter, teachers shall be eligible for retention in a reduction in force only in those teaching areas for which the teacher has previously filed a valid teaching certificate/license with the personnel office.
