## Kindness Kickoff

One week each month at Barberton Elementary School East will be Kindness Week. During Kindness Week we will focus on teaching one the attributes of kindness. Our kindness attribute for the month of September is bucket filling. Bucket filling is words or actions that lift up and make others feel good. Our September Kindness Week will be from September 10th through September 14th. On Monday, September 10th we will kickoff Kindness Week with an assembly. At our kindness kickoff assembly students who have received positive office referrals, mastered their math facts, and demonstrate good attendance will be recognized.

## ATTENDANCE: ALL DAY, EVERY DAY

Student attendance is essential to their academic growth. The Barberton City School's new motto regarding attendance is "All Day, Every Day". Students who miss no more than one school day in a month, will be earning brag tags for their book bags and will be recognized at the monthly Kindness kickoff assemblies. This award will reset each month so students should not get discouraged if they miss school because of an illness. Students can also earn additional attendance awards for each grading period, semester, and for the school year when they miss no more than one school day each month.

Poor attendance will result in students/families being put on Attendance Intervention Plans. These plans are designed to increase awareness about poor attendance, to help increase student attendance and make sure students who are missing too much school are being monitored.

# BOOK FAIR
