SUMMER 2019

## THANK YOU!

On behalf of myself, Mrs. McGhee and all of our staff here at BEE we would like to thank all of our BEE students and their families for an outstanding 2018-2019 school year. The amount of academic progress shown throughout this school year was phenomenal. We instituted several new educational programs such as the Foundations phonics program and the Lucy Calkins writing program. These programs will continue to have a large impact on your student's academic growth in the coming years.

A special congratulations to our 4th grade students who will be moving on to the middle school next year. Thank you for being leaders in our building this past school year and role models to our younger students. I know I speak for the whole staff here at BEE when I say good luck and if you need anything from us to help you in the future do not hesitate to ask.

Sincerely,  
Mr. Saunders

Healthy Students Fair @ BHS

August 20th

Open House at BEE 4:30pm

Third Grade Parent Meeting 5pm  
in the BEE Cafeteria

August 21st

First Day of School!

# SUMMER EXPECTATIONS!

Students in kindergarten through third grade should have received summer homework packets which included sight words, a reading log, a math log, math flash cards, and two free books. It is extremely important for you and your student to continue to make time for their academics over the summer months. This helps fight against summer slide and keeps them academically ready for next school year. Also, we would request that you continue to reinforce our school pledge. We tell our students they should follow this pledge both in and out of school.

## DO YOUR JOB

### B.E.E. PLEDGE

*I will do my job and be here all day everyday.*

*I will be respectful, responsible and safe, and ready to learn.*

*If I see something wrong, I will say something to an adult.*
