

THE TREASURER'S TIDBITS

Shawna Jones, Treasurer

Back to School, 2017

SUMMER PROJECTS

This summer has been a busy one with the construction project of converting the Decker building over to the new preschool and administration building. Administration has been meeting with Millstone Management and FMD Architects to make sure the transition is timely and cost effective. The tentative goal is to have the preschool open around September 25th. By combining both the preschool and administration buildings, we are able to save the district money in substantial utility and maintenance costs.

This project will have no impact on the General Fund of the Barberton City Schools! Due to the construction of the elementary buildings finishing under budget, the District has money available in our construction fund that can ONLY be spent on constructing, furnishing or equipping a school facility. This project will be funded with the remaining money.

Also pay attention to the other facility upgrades that have been done this summer such as the High School track, the High School show gym floor and the new carpet on the second floor of the High School. Remember, BHS is our oldest building at 17 years old, and this is the first time these items have been replaced! Let's make sure we take care of all our new facility upgrades so we can show visitors that we have purple pride in our school!

HEALTHCARE DATES TO REMEMBER

Health
Fair/Screening:

September 29:
6:00 am-Noon

November 1:
Physician
Screening &
Tobacco forms
due

HAS YOUR NAME CHANGED? HAVE YOU MOVED?

In addition to notifying BCS, please advise STRS or SERS of your name or address change.

BCS cannot do this on your behalf.

Contact information for updating your personal information can be found on STRS or SERS websites.

DO YOU HAVE A 403(B) OR 457 PAYROLL DEDUCTION?

If you are changing or closing your annuity, please notify Payroll by email in advance. This is to avoid improper deductions from your check.
