Dear Parents,

I would like to take a moment and say hello and welcome you to a new beginning at Barberton High School. I am excited about being your principal and truly honored to serve you and this community.

I am a 1989 graduate of BHS, having attended the University of Akron where I earned my Bachelors of Science in teaching in mathematics and physics. I earned my Masters in Educational Administration from Ashland University. I started teaching in 1998 for the Barberton City Schools at the "old high school," Highland Middle School, and the current high school. I moved into administration in the 2013-14 school year as an assistant principal. In 1991 I joined the Ohio Army National Guard. I served over twenty years in the Guard, and retired from the Guard in 2012. I am a veteran having been activated three times, twice overseas.

As a reminder, we will be offering bussing at the high school this school year. Information on times of bussing and locations will be mailed out later.
