Is your student ready for Kindergarten?

Kindergarten registration is just around the corner. Do you know a student who will be entering kindergarten for the 2021-22 school year? Are they ready for kindergarten?

Children entering school for the first time should be developmentally supported physically, socially and emotionally.

They will experience many transitions during this time and go through many developmental changes. They need the support from home to be successful.

Take a look at the following check points to see if your student is kindergarten ready...

Does your student have self-control?

- Keep their hands to themselves?
- Share and take turns?
- Play with other children?

Can your student use supplies correctly?

- Cut with scissors?
- Hold a pencil, crayon or marker?
- Build with blocks or Legos?

Can your student express self-awareness in a variety of ways?

- Know their first and last name?
- Write their name?
- Name the letters in their name?

Can your student demonstrate self-help skills?

Use restroom independently?

Put on their own coat and zip or button it?

Tie shoes?

Finally, is your student able to follow the directions of adults and communicate their needs?

Kindergarten registration is always an exciting time! We hope your student is ready!

Kindergarten Registration is May 13 and May 18 at Barberton Elementary West from 9am-11am and 12pm-2pm. Students entering should be 5 by August 1, 2021.

See our district website for more information.

Ohio State Testing

This year, our 3rd and 4th graders are required to take the AIR test as part of the Ohio State Testing for Math and English Language Arts. For our 3rd grade students, this is another opportunity to meet the target for the Third Grade Reading Guarantee.

Unfortunately, we are unable to administer the state test remotely. Therefore, all **remote** students are expected to attend school on their scheduled test days.

In Person Test Schedule

3rd Grade ELA—April 15 & 16 Math—April 29 & 30

4th Grade ELA—April 13 & 14 Math—April 27 & 28

Remote Test Schedule

3rd Grade ELA—April 22 & 23 Math—May 5 & 6

4th Grade ELA—April 20 & 21 Math—May 3 & 4

It is recommended students get a good night's sleep the week of testing and wear comfortable clothing. Please have your student **on time** for testing as once a test session starts, we cannot let late students enter the classroom. Students will have the option of breakfast the morning of their test. Finally, encourage your student to *take their time* and **DO THEIR BEST!**

THANK YOU BEW COMMUNITY!!!!

Thank you for helping our school community stay safe and healthy during this time. We have kept our numbers low because we have worked together as a team to follow our district COVID-19 Plan. **Let's stay strong** as we finish the year! Do not let your guard down!

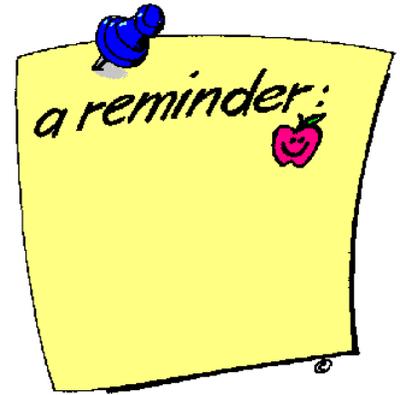

Continue to MASK UP & Back up!

Continue to monitor for symptoms. If someone in the house is being tested, everyone should stay home until we have results.

If possible, **isolate** the positive individual to lessen the quarantine time of others in the house.

We hope to see everyone back at school in August for a safe, full reopening! Stay tuned for more details over the summer for the 2021-2022 School Plan.

Does your student know their math facts???

Don't forget to practice math facts at home!

Planning for Next Year

As we enter the 4th quarter, some of you are already thinking about next year.

If you are considering requesting a teacher for next year, please **email** me by **MAY 1st** at bsincel@barbertonschools.org. Please know that while we take all requests into consideration, *they are just a request*. We make decisions for student placement based on academic needs.

Until then, please continue to work with your student so they are prepared for the next grade level.

Friendly Reminders!

Doors do not open for 3rd & 4th graders until 8:45am and Kindergarten, 1st & 2nd graders until 9:15am.

Students should not be dropped off any earlier due to physical distancing guidelines.

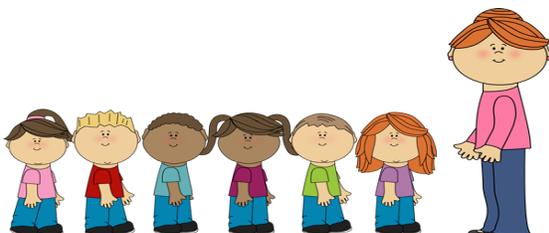

Students were issued a chromebook this year along with a carrying case. They should come to school with their charged chromebook everyday.

Your student should have a purple folder. Be sure to check it every night. Important information and homework is sent home through his/her folders.

Read with your student every night for at least 20 minutes. Your student will be a better reader.

The BEW Way!!!

- 1. Be Responsible**
- 2. Be Respectful**
- 3. Be Ready to Learn**
