# LEUKEMIA & LYMPHOMA SOCIETY®

This May, Barberton Elementary East will once again be participating in a charity drive for the Leukemia and Lymphoma Society. During the 2019-2020 school-year we raised over \$2500 and will once again this year do our part to help in the fight against cancer.

This year's drive will begin on Monday, May 3rd and go through Friday, May 21st. All donations this year should be made online. We will be sending out more information about how to get involved, as well as information about prizes for those students/families that do get involved. We'd like to thank all of our families in advance for your support in this great cause.

## Family Night

On family night, students will receive no homework as our goal is to give families a night with no school obligations in which they can spend some time together as a family. For the month of April, family night is Tuesday, April 20th. BEE is asking families to spend some time that evening as a family talking about the things going on in your student's life both in and out of school.

## Kindness Week

Kindness Week for the month of April is April 19th-23rd. The theme for Kindness Week in April is:

*“Empathy”*

Empathy is the ability to understand and share the feelings of another.
