# SPRING FIELD TRIPS

BIS Families,

As we approach the close of the school year, our students here at BIS will have some amazing opportunities coming up in April and May to attend various field trips. In order for students to be able to attend these trips and enjoy these privileges; all their forms in Final Forms must be completed, they must return their permission slip forms with payment for any costs associated with the trip, and they must have demonstrated appropriate behavior here at school. We need to be able to trust that our students can follow the rules here at school, in order to take them to locations off of school grounds. Our ultimate goal is to be able to take everyone on our field trips however, that is contingent on our students doing their job here at BIS!

\*\*\*More information about upcoming field trips for your student's grade will be shared by your student's teacher.
