## Alma Mater

**NOTE:** This Student/Parent Handbook is based in significant part on policies adopted by the Board of Education and Administrative Guidelines developed by the Superintendent. Those Policies and Guidelines are incorporated by reference into the provisions of this Handbook. The Policies and Guidelines are periodically updated in response to changes in the law and other circumstances. Therefore, there may have been changes to the documents reviewed in this Handbook since it was approved June, 2023. If you have questions or would like more information about a specific issue or document, contact your school principal or access the document on the District's website: [www.barbertonschools.org](http://www.barbertonschools.org) by clicking on "Board of Education" then "Barberton City Schools Bylaws and Policies".

## **FOREWARD**

This Student Handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain Board policies and procedures. Please take time to become familiar with the important information contained in this Handbook and keep the Handbook available for frequent reference by you and your parents. If you have any questions that are not addressed in this Handbook, you are encouraged to talk to your teachers or the building principal. This Handbook replaces all prior handbooks and other written material on the same subjects. This Handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules as of July 1, 2023. If any of the policies or administrative guidelines referenced herein is revised after July 1, 2023, the language in the most current policy or administrative guideline prevails. Copies of current Board policies and administrative guidelines are available from the building principal and on the District's web site.

## **PARENT RIGHT TO KNOW TEACHER QUALIFICATIONS**

Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher. The federal law, Every Student Succeeds Act, requires that any local school district receiving federal Title I Improving the Academic Achievement of the Disadvantaged funds must notify parents of each student attending any school receiving Title I that they may request information regarding the professional qualifications of the student's classroom teacher, including the following:

1. Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instruction.
2. Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements.
3. The college degree major of the teacher and any other graduate degree or certification (such as National Board Certification).
4. Whether your child is provided services by instructional paraprofessionals (sometimes called teacher's aides) and their qualifications.

Our district is pleased to report that 100% of our teachers for the 2023-2024 school year have met state and federal guidelines and are designated Highly Qualified Teachers.

If you want further information about your child's teacher you may request this information by returning this letter with your identifying information to Mr. Jason Ondrus at 633 Brady Ave., Barborton OH 44203. Be sure to give the full name of your child, your full name, your complete address including zip code, and the name of your child's teacher(s).

Sincerely,  
Jeffrey Ramnytz, Superintendent

## **SECTION I GENERAL INFORMATION**

### **ENROLLING AND/OR WITHDRAWING**

In general, State law requires students to enroll in the school district in which their parent or legal guardian resides unless enrolling under the District's open enrollment policy.

New students under the age of 18 must be enrolled by their parent or legal guardian. When enrolling, parents must provide copies of the following:

- A. A birth certificate or similar document
- B. Court papers allocating parental rights and responsibilities, or custody (if appropriate)
- C. Two (2) Proofs of residency
- D. Proof of immunizations
- E. Parent/Guardian ID

All Barberton Schools enrollments are done at the Board of Education Office. Please complete online registration through Final Forms which can be found at [www.barbertonschools.org](http://www.barbertonschools.org). After completion of Final Forms please contact your Board Office to complete registration. Any questions about enrollment should be directed to the Administration Office at 330-753-1025.

No student under the age of eighteen (18) is allowed to withdraw from school without the written consent of their parents and in compliance with State law. A student who otherwise withdraws from school shall be reported to the juvenile judge of the county and to the Bureau of Motor Vehicles for suspension of their driver's license, the student is under the age of 18.

For health and safety reasons we are asking that parents inform the schools of any and all phone and address changes through the year. This can be done in Final Forms. It is critical that the schools have current information to better communicate with you. This is the responsibility of parents.

Parents must notify the Principal about plans to transfer their child to another school. School records including disciplinary records of suspension and expulsion, will be transferred to the new school as soon as the record request is received from their new school. A student is deemed to be enrolled until we receive a request and notice from the student's new school. This counts towards truancy and grades.

### **SCHEDULE ADJUSTMENT POLICY**

All students are provided an opportunity for a group planning conference to select their desired courses and programs. Students should work with their parents and guidance counselor to determine those courses and programs carefully. Course selection is **finalized** but not guaranteed. Students may be denied course enrollment due to lack of available space or the need for the student to pass prerequisite courses. Students are expected to follow their schedules. Any variation must be approved with a pass or schedule change. Schedule adjustments will be made using the following guidelines:

**Any schedule changes should be handled through the Guidance Office.**  
**ADDITIONS:** No additional class may be added after the tenth (10<sup>th</sup>) day of the term.

**WITHDRAWALS:** A student may not withdraw from a required course. A class dropped after ten days will be dropped with the grade of "F". Students should continue reporting to their scheduled classes until the official schedule adjustment forms have been processed.

### **CAREER TECHNICAL EDUCATION CLASSES:**

- A. Career Technical Education Programs\* may not be dropped from a schedule before the tenth day of school. Students are NOT allowed to transfer from one Career Tech program to another. To add or drop a student from a program, please see your counselor.
- B. Students may be removed from a Career Tech-Ed program during the year for any of the following reasons: attendance record, discipline problems, or failure of one or two semesters.

Career Tech-Ed Compact students are encouraged to use the Compact bus for program transportation. Compact students are permitted to drive with permission from their home school principal and program school principal. Permission Form must be filled out at program school. BHS Compact Students will adhere to their compact school's parking policy. If a student has permission to drive to school, they will be required to park in the dirt lot by the soccer field with a home school driving permit in a visible area. Driving privileges may be revoked per administration. All Junior BHS students, who are in a compact at another school, are required to sign in at the attendance office daily upon arrival for afternoon classes at BHS.

## ATTENDANCE POLICY

**EXCUSED and UNEXCUSED absences are tallied HOURLY by the State of Ohio (Tardiness and Partial absences are included in the total).**

**65 HOURS (approximately 10 school days): 65 hours is considered CHRONIC (or EXCESSIVE) absenteeism by the State of Ohio.**

- **ALL absences following 65 hours** (10 school days) official documentation must be provided (i.e. medical notes from a doctor (or documentation by a licensed/certified official that the administration deems as excusable due to the circumstances presented) When applicable, documentation should include a time frame for the absence (s) (i.e. hours, day(s) for the necessary time excused).  
*(Understand that certain documentation only states **recommendations** by doctors etc. In those cases a meeting should be scheduled with administration to determine what is best for the student regarding the absence time).*
- Teachers **RESERVE** the right **NOT to provide make-up work or assignments for credit** for any absences that are UNEXCUSED. These UNEXCUSED absences can accumulate partially or completely depending on time missed.
- **INDIVIDUAL classes missed- AFTER 10 PARTIAL ABSENCES (LATE ARRIVAL OR TARDINESS), where CALL-OFFS occur by parent MAY result in teachers NOT providing make-up work for a class missed. Therefore, ALL subsequent absences for that class (after the 10 missed) will be considered UNEXCUSED. Legitimate documentation will be required in order to receive make-up assignments for that individual class.**

**Refer to the example below:**

*(i.e. If a student signs-in after their 1st period nearly everyday, their 1st period teacher may **NOT** provide make-up work if the absence (s) are UNEXCUSED. (understand even parent call-offs AFTER 10 total days will NOT be considered EXCUSED until official documentation is provided).*

**See Board Policy below:**

- ❖ Students will have **7 DAYS** upon returning to school to provide official documentation (as described above) in order to EXCUSE the unexcused absences (documentation should specifically state the absence reason(s) and absence time).  
*(After the **7 DAYS** medical documentation will be accepted by the attendance office to file, but teachers will still reserve the right NOT to provide make-up work for credit, due to **EXCEEDING the 7 DAYS. This aligns with Board Policy**).*

### **Unexcused Absences, Partial Unexcused Absences and Tardiness**

Unexcused Absence and Partial Unexcused Absences (and/or tardiness) will result in progressive disciplining action.

### **Tardiness to School**

Tardy is defined as not being in your assigned seat when the bell rings. Any student who arrives after 7:30 a.m. must sign in at the Attendance Office. Students who remain in the cafeteria after 7:30 a.m. will be considered tardy.

Continued and persistent tardiness, Unexcused Absences and Partial Unexcused Absences will result in progressive disciplinary action at the discretion of the administrator. The following steps may be taken DUE TO EXCESSIVE TARDINESS. Multiple (or excessive) tardiness is defined as MORE THAN 3 unexcused tardies. The following steps will begin after tardy 3 and may continue after every subsequent tardy.

1. STEP 1= an administrative or teacher issued after school detention or lunch time detention
2. STEP 2= After School Disciplinary Class (ADC) or Daytime Discipline Class (DDC).
3. STEP 3= Multiple days of ADC or \*Subsequent tardiness in increments of 3 will result in multiple days of ADC or DDC. Excessive lateness to school is disruptive to the educational process. Habitual lateness to school is considered as a form of truancy and may result in a truancy referral. Students may also lose extra-curricular privileges, due to excessive tardiness (i.e. attending sporting events, dances, assemblies etc.)

### **Tardiness to Class**

Students are expected to be in the classroom when the bell rings and ready to participate in class. Teachers may issue consequences for being tardy to class. Repeated tardiness to class may result in a referral to the office.

Administration reserves the right to conduct unannounced HALL SWEEPS in order to ensure students are in class. Any student found in the hall, without a pass, may be issued consequences. Consequences for tardiness to school/class or roaming the hallways without permission may result in lunchtime detention(s) in DDC (issued the day of the tardy), ADC or immediate placement in DDC for the remainder of the day or additional time depending on the nature and frequency of the violation.

### **Truancy**

In the Code of Student Conduct, truancy is listed (item #13) as a violation subject to disciplinary action. Truancy is defined as:

Absence from school or classes without a parent and/or school official's knowledge or permission. Each "truancy" may be counted on a per period basis. Continued and persistent truancy will result in escalating disciplinary action at the discretion of the administrator.

Students may not be permitted to receive credit for work that is assigned when they are TRUANT from ("SKIPPING") class (as stated under attendance policy above for unexcused absences).

### **ATTENDANCE OFFICE PROCEDURES**

The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance is required of all students enrolled in the schools during the day.

In accordance with statute, the Superintendent shall require, from the parent of each student of compulsory school age or from an adult student who has been absent from school or from class for any reason, a written statement of the cause for such absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each absence. Repeated infractions of Board policy on attendance may result in school consequences.

A student will be considered habitually truant if the student is absent without a legitimate excuse for 30 or more consecutive school hours, for 42 or more school hours in one school month, or 72 or more school hours in a school year.

If a student who is habitually truant violates the order of a Juvenile Court regarding the student's prior adjudication as an unruly child for being a habitual truant, the student may further be adjudicated as a delinquent child.

In order to address the attendance practices of a student who is habitually truant, the Board authorizes the Superintendent to take any of the following intervention actions:

- A. Assign the student to a truancy intervention program
- B. Provide counseling to the student
- C. Request or require the student's parent to attend a parental involvement program
- D. Request or require a parent to attend a truancy prevention mediation program
- E. Take appropriate legal action
- F. Assignment to an alternative program, if available

The Superintendent is authorized to establish an educational program for parents of truant students which is designed to encourage parents to ensure that their children

attend school regularly. Any parent who does not complete the program is to be reported to law enforcement authorities for parental education neglect, a fourth class misdemeanor if found guilty.

Whenever any student of compulsory school age has sixty (60) consecutive hours in a single month or a total of ninety (90) hours of unexcused absence from school during the school year, the student will be considered habitually absent. The Board authorizes the Superintendent to inform the student and their parents, guardian, or custodian of the record of excessive absence as well as the District's intent to notify the Registrar of Motor Vehicles, if appropriate, and the Judge of the Juvenile Court of the student's excessive absence.

#### COPY OF ATTENDANCE LETTER SENT TO PARENT

Attendance Warning  
BARBERTON HIGH SCHOOL  
Barberton

Dear <Student Name>  
<Address>  
<City, State, Zip>

#### IN THE MATTER OF:

As school officials, we are required by law to provide you with the notice that your child, <Students Name>, has reached a significant number of absences that makes it necessary to send this letter. The attendance of all children of compulsory school age is expected every day that school is in session. It is your responsibility to see to it that your child attends school regularly. Failure to send your child to school is a violation of Section 3321.38 of the Ohio Revised Code. Prosecution and conviction of this offense may result in the court ordering you to give bond and/or pay a fine and court costs.

If your student continues to miss school, the district may assign your student to an Absence Intervention Team, of which you are a required member, to address the absenteeism. If your student fails to participate or make satisfactory progress with the intervention process or continues to miss school, the district may file a complaint against you and/or your child with Job and Family Services and/or Juvenile Court. All UNEXCUSED ABSENCES are considered truancy, for which you or your child may be prosecuted in court. An absence from school may be excused only for the following reasons: verifiable illness, death in the family, approved vacation and religious holidays.

At this time, your child has had numerous absences from school. An attendance intervention is required at this time. (See attached list of dates.) Although a parent may have called to report the absence, you may be required to provide written documentation from a physician for the school to record these absences as EXCUSED. If this documentation is not received for these parental/guardian “call offs”, the school will record the absence as UNEXCUSED.

Sincerely,

Principal Barberton High School

### **Reporting Absences**

It is the responsibility of the parents/legal guardian to report all absences from school to the Attendance Office on the day of the absence. The Attendance Office phone number is 330-753-1084 ext. 25532. Voicemail is available when the Attendance Office is closed. To report an absence, please call the office by 8:30 a.m. on the day of the absence. Failure to verify a student’s absence may result in truancy.

**\*\*Students must be in attendance for at least half of a school day in order to be eligible to participate in co-curricular activities that evening or attend athletic events.\*\***

The Board considers the following factors to be reasonable excuses for time missed at school:

- A. Personal illness (a written physician's statement verifying the illness may be required).
- B. Appointment with a health care provider.
- C. Illness in the family necessitating the presence of the child.
- D. Quarantine of the home.
- E. Death in the family.
- F. Necessary work at home due to absence or incapacity of parent(s)/guardian(s).
- G. Observation or celebration of a bona fide religious holiday.
- H. Out-of-state travel (up to a maximum of twenty-four (24) hours per school year that the student's school is open for instruction) to participate in a District-approved enrichment or extracurricular activity.

Any classroom assignment missed due to the absence shall be completed by the student.

If the student will be absent for twenty-four (24) or more consecutive hours that the student's school is open for instruction, a classroom teacher shall accompany the student during the travel period to provide the student with instructional assistance.

- I. Such good cause as may be acceptable to the Superintendent.
- J. Medically necessary leave for a pregnant student in accordance with Policy 5751.
- K. Service as a precinct officer at a primary, special or general election in accordance with the program set forth in Policy 5725.
- L. College visitation.

The District requires verification of the date and time of the visitation by the college, university, or technical college.

- M. Absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status.
- N. Absences due to a student being homeless.

Note: Absences and tardies are excused or unexcused at the discretion of the Administration.

Parental phone calls or notes will not excuse a student for an absence that does not fall under one of the guidelines established by the state. Non-excused absences include, but are not limited to: shopping, oversleeping, broken alarm clocks or power outages, haircuts, hunting trips or vacations, car problems, etc. It is extremely important that students and parents realize that absences from school can only be for illness, emergencies, and other legal absences. Unexcused absences will be considered truancy. Please Note: Ohio law requires all students to be in attendance until the age of eighteen (18).

## Assigned Work Policy

### **Illness, Death in Family, Religious Holidays**

All assignments made prior to the absence are due the first day the student returns to school. Assignments made during the absence must be completed in the number of school days missed plus one (i.e. 3 consecutive days of absence = 4 days to make up the work missed and submit it for credit). **It is the responsibility of the student to initiate and complete all make-up work in the required time.**

### **School Day Times**

Building Opens	7:00 a.m.
Breakfast served	7:00 a.m. – 7:20 a.m.
Teachers in building	7:15 a.m.
First Bell	7:20 a.m.
Classes begin	7:30 a.m.
Half day ends or begins	11:15 a.m.
Classes dismissed	2:35 p.m.

**\*school day times may be subject to change**

### **Early Arrivals (7:00 a.m. to 7:20 a.m.)**

Students who arrive at school prior to 7:20 a.m. are **ONLY** permitted in the commons area. **Only after** the ringing of the 7:20 a.m. bell are students permitted to enter other areas of the building. Students waiting for any morning Career Technical Education bus may do so at the main entrance of the building. Students arriving earlier than 7:20 a.m. to work with a teacher **MUST** have a written pass. Any student found in any other areas of the building prior to 7:20 a.m. without a written pass may be subject to disciplinary action.

### **Early Dismissals**

Any student who must leave school early is required to bring a written parent request and must be approved at least five minutes before school begins. The Attendance Secretary will give the student an excuse slip and initial it so that it can be shown to the appropriate teacher at the right time. The student must then report to the Attendance Office to sign out. When the student returns to school (whether it is the same day or not), an excuse slip must be presented to the Attendance Office Secretary immediately. ***It is the Barberton High School Attendance Office policy to call parents to verify early dismissal notes should it be necessary. Also, students are only permitted to leave school for official business that cannot be carried on outside of the school day. Barberton High School has a closed lunch policy. Students are not permitted to leave for lunch. Food is not to be delivered by businesses.***

On early dismissal days for testing, students must have signed permission in Final Forms before being dismissed.

**College Days**

Each senior will be permitted two days of absence due to college visitations provided the proper procedure is followed. Parents must call ahead of time to let the school know that their student will be visiting a college and will be absent from school. The student is required to bring an official document from the university signed by a college official. This form must be returned to the Attendance Office when the student returns to school. The assigned work policy will apply to this policy. Any student who does not follow the procedures as described above will be considered truant from school.

**Vacations**

The practice of students accompanying parents on a vacation during school time is strongly discouraged. Students who take vacations from school are required to bring in a note from the parent and have each teacher sign the "Vacation Form" (available in the Main Office) at least one week prior to the vacation. Teachers will provide students with the assignments that will be missed during the vacation. The assignments are to be submitted within one day of returning to school. Failure to submit the assignments may be made with teachers when special projects or reports are involved. It is our expectation that students will be "caught up" with the class upon returning from a vacation.

**STUDENT WELL BEING**

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situation or accident, she/he must notify a staff person immediately.

Each student enrolled in Barberton High School must have emergency information entered into Final Forms. Carefully complete the space for emergency numbers of people the office could contact in the event of an illness or emergency. These people will be contacted only in the event that we cannot contact the parent/guardian. If you have a medical condition, which could require emergency attention, please notify the Attendance Office. Questions about prescribed medication that needs to be taken during the school day may be referred to the Attendance Office.

Final Forms will need to be completed before a student is issued a chromebook.

Students without emergency information may not be permitted to attend school or school events. All absences that are due to failure to turn in emergency information will result in unexcused absences.

Students with specific health care needs should deliver written notice about such needs, along with physician documentation, to the Attendance office.

## **INJURY AND ILLNESS**

All injuries must be reported to a teacher or the office. If the injuries are minor, the student will be treated and may return to class. If medical attention is required, the office will follow the School's emergency procedures and attempt to make contact with the student's parents.

A student who becomes ill during the school day should request permission to go to the office. An appropriate adult in the office will determine whether the student should remain in school or go home. No student will be released from school without proper parental permission.

## **DISPENSING OF MEDICATION**

Before any prescribed medication or treatment may be administered to any student during school hours, the Board shall require the written prescription from the child's physician accompanied by the written authorization of the parent (see Form 5330F1). Before any non-prescribed medication or treatment may be administered, the Board shall require the prior written consent of the parent along with a waiver of any liability of the District for the administration of the medication (see Form 5330 F1a and Form 5330 F1b). These documents shall be kept in the office of the building principal, and made available to the persons designated by this policy as authorized to administer medication or treatment. No student is allowed to provide or sell any type of over-the-counter medication to another student. Violations of this rule will be considered violations of Policy 5530 – Drug Prevention and of the Student Code of Conduct/Discipline Code.

Only medication in its original container; labeled with the date, if a prescription; the student's name; and exact dosage will be administered. The Superintendent or designee shall determine a location in each building where the medications to be administered under this policy shall be stored, which shall be a locked storage place, unless the medications require refrigeration in which case they shall be stored in a refrigerator not commonly used by students. Parents, or students authorized in writing by physicians and parents, may administer medication or treatment but only in the presence of school personnel.

However, students shall be permitted to carry and use, as necessary, an asthma inhaler, epipen and glucagon injection, provided the student has prior written permission from their parent and physician and has submitted Form 5330 F3, Authorization for the Possession and Use of Asthma Inhalers/Other Emergency Medication(s), to the principal and any school nurse assigned to the building.

Information on Control of Casual-Contact Communicable Disease (Policy 8450), Control of Direct-Contact Communicable Diseases (Policy 8453), and Control of Blood-Borne Pathogens (Policy 8453.01) can be found on our website.

## **STUDENTS WITH DISABILITIES**

The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students, but to all individuals who have access to the District's programs and facilities (Policy 2460). Further information can be found on our website.

## **HOMELESS STUDENTS**

Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the District. Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs.

Homeless students will not be denied enrollment based on lack of proof of residency. For additional information contact the Student Services Director at 330-753-1025 ext. 13127.

## **PROTECTION AND PRIVACY OF STUDENT RECORDS**

The School District maintains many student records including both directory information and confidential information.

The Board designates as student "directory information": a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; or awards received; honor roles; scholarships; or telephone numbers only for inclusion in school or PTA directories.

Directory information shall not be provided to any organization for profit-making purposes. Parents and eligible students may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board within fifteen (15) days after receipt of the Superintendent's annual public notice.

In accordance with Federal and State law, the Board shall release the names, addresses, and telephone listings of secondary students to a recruiting officer for any branch of the United States Armed Forces or an institution of higher education who requests such information. A secondary school student or parent of the student may request in writing that the student's name, address, and telephone listing not be released without prior consent of the parent(s)/ eligible student. The recruiting officer is to sign a form indicating that "any information received by the recruiting officer shall be used solely for the purpose of informing students about military service and shall not be released to any person other than individuals within the recruiting services of the Armed Forces." The Superintendent is authorized to charge mailing fees for providing this information to a recruiting officer.

Any entity receiving personally identifiable information pursuant to a study, audit, evaluation or enforcement/compliance activity must comply with all FERPA regulations. Further, such an entity must enter into a written contract with the Board of Education delineating its responsibilities in safeguarding the disclosed information. Specifically, the entity must demonstrate the existence of a sound data security plan or data stewardship program, and must also provide assurances that the personally identifiable information will not be disclosed without prior authorization from the Board. Further, the entity conducting the study, audit, evaluation or enforcement/compliance activity is required to destroy the disclosed information once it is no longer needed or when the timeframe for the activity has ended, as specified in its written agreement with the Board of Education.

Any parent or student who believes that the School District has failed to comply with the Family Education Rights and Privacy Act (“FERPA”) or the Protection of Pupil Rights Amendment (“PPRA”), may file a complaint directly with the Family Policy Compliance Office, US Department of Education, 400 Maryland Ave SW, Washington, DC 20202-8520.

#### **BOOKS AND OTHER EDUCATIONAL MATERIALS**

Books and other equipment and materials are loaned to the students for use during the school year. These materials are the property of the Barberton City Schools. The student is financially responsible for all books, technology and other items loaned to him. Do not misuse any of these items. Do not loan any books, technology or other materials to another student. Keep your books and Chromebook in your own locker and keep it locked. Students must pay fines for books and Chromebooks that are damaged or destroyed. The full replacement cost of the books and Chromebook is assessed to the student if it is lost. The condition of the book/Chromebook is recorded at the beginning of the school year. Make certain that you and your teacher agree on the number and the condition of the book/Chromebook at the time it is used. Fines are charged for damage beyond normal usage. The teacher or other staff member will make the determination of damage, not the student. Students will be fined \$5.00 for books found in lockers after the school year is complete. (For the BHS Chromebook Policy, see pg. 50.) **SAVE YOURSELF A LOT OF MONEY AND TROUBLE! TAKE GOOD CARE OF ALL OF THE ITEMS LOANED TO YOU!! BOOKS AND CHROMEBOOKS ARE INCREDIBLY EXPENSIVE!**

#### **COLLECTION OF DEBTS**

Any monies owed to the school will be recorded as soon as the debt is incurred. Students are responsible for any debt to the school: for lost or damaged textbooks, instructional materials, or equipment; lost or damaged library materials; meal fees; lost or damaged athletic equipment; club or organization materials or fund-raising merchandise or money not turned in; damages to school property or buildings; or

any other debt deemed to be legitimate by the principal. Confiscated items will be held until debts are paid.

## **LOCKERS**

Each student is assigned a locker. You are expected to use the locker assigned to you. The number of your locker can be found on your schedule. The combination to your locker will be given to you during orientation or you may get it by stopping by the Guidance Office at any time. Do not share it with anyone! Lockers must be kept locked at all times. The school is not responsible for anything taken from your locker. Lockers are school property and are subject to inspection by school personnel. Barberton School Board policy will be followed if an administrator determines a search may be appropriate.

**DO NOT WRITE OR PUT ANY STICKERS ON YOUR LOCKER. YOU WILL BE FINED FOR ANY REPAIRS NECESSARY TO YOUR LOCKER. IF YOU FIND THAT YOUR LOCKER IS DAMAGED IN ANY WAY AT THE BEGINNING OF THE YEAR, REPORT IT IMMEDIATELY TO THE PRINCIPAL'S OFFICE.**

If you have locker concerns, notify the Guidance Office between classes, before or after school.

## **FOOD SERVICE**

The high school maintains a CLOSED LUNCH POLICY. Students are expected to go directly to and from the commons at lunch. You are required to remain in the commons during your assigned lunch period. You may not bring food items or have food items delivered from local restaurants into the building for breakfast, lunch or snacks. Before school, breakfast is available in the cafeteria. The Snack Shack is open to all BHS students during lunch, both ala carte and complete lunches. We offer a wide variety of hot and cold breakfast menu items. Each student has a thirty minute lunch period. No student is allowed to take food or beverages of any kind out of the cafeteria. Be considerate of other students by keeping the tables clean, depositing all disposable litter in the waste containers and returning all trays and dishes to the dishwasher window. Should any non-disposable items be placed in a trash container (on purpose or accidentally), they must be retrieved or the student will be charged the cost for replacement. **The school will not accept food deliveries from outside restaurants/companies. Only parents/guardians can drop off food for their students.**

Breakfast and lunches are served as part of the total educational program at Barberton City Schools. Breakfast and lunch prices will be announced at the start of school. There is financial help available for all students' families who cannot afford the price of the meal. This includes a hot regular lunch in all buildings or pizza lunch or sub lunch at middle school and high school. Ala carte items are not

included with the free/reduced meal program. Paper applications can be obtained from your school office or by going to the Barberton City School district homepage [Food Service Department](#). We recommend families apply online by going to: [payschoolscentral.com](#), click on register, select I am a parent and follow the prompts. You must have your child(ren's) student ID number to take advantage of this option. Qualifying families should return the completed applications to the school office as soon as possible. **A NEW APPLICATION MUST BE FILLED OUT EACH SCHOOL YEAR.** Parent/Guardian whose children were free or reduced previously will need to login to [payschoolscentral.com](#) and update their information. **STUDENTS THAT WERE APPROVED THE PRIOR YEAR MUST COMPLETE A NEW MEAL APPLICATION AND MUST BE APPROVED BY THE MIDDLE OF SEPTEMBER, OTHERWISE THEY WILL LOSE THEIR MEAL STATUS AND AUTOMATICALLY CHANGE TO PAY STATUS.**

Each student will have an I.D. number and/or ID card that will only be used for buying school breakfast, lunch or extra milk or ala carte items. Students are permitted to pay for their meals in advance. Prepayment can be made by sending cash or a check made payable to the school cafeteria. Money will only be deducted when the student uses the account. Barberton City Schools also offers Pay Schools Central Program (the same program for free/reduced meal applications). Using his program will reduce the chance of lost or stolen money for meals. To access this convenient program, log onto [payschoolscentral.com](#) and select the "Sign Up" option from the menu. The screen will guide you through the process to establish your account. We strongly encourage families to sign up for the auto replenishment option which automatically adds an amount of money you set when the balance reaches a low amount. This will ensure your child(ren) will always have funds to purchase their meals. Money will only deducted when the student makes a purchase. For students not wishing to have the convenience of having money on their account, the computer will act like a cash register and accept cash through the line.

**IT IS NOT A POLICY OF THE BARBERTON CITY SCHOOLS TO LOAN MONEY FOR MEALS.**

The cafeteria will keep an updated roster of the students who have borrowed money. At the end of each school year this list of students will be submitted to the school office, and any money owed the cafeteria will become a fee obligation which must be paid in full. Students who owe the cafeteria money may not purchase any extra á la carte items until their balance is "paid off in full". Students are discouraged from sharing their foods or beverages with one another during meal times, given concerns about allergies and other restrictions on some students' diets.

### **CAFETERIA TIMES**

### **FIRE, TORNADO, AND SAFETY DRILLS**

The School complies with all fire safety laws and will conduct fire drills in accordance with State law. Fire drill routes are posted in each classroom. Be familiar with them. The most important thing you can do to help in the evacuation of the school is to be quiet so that special instructions can be heard. Another thing to keep in mind is that running and pushing increases the likelihood of accidents during evacuation. (Violation of procedures may result in disciplinary action).

The School conducts tornado drills during the tornado season following procedures prescribed by the State. A special tornado siren indicates that students are to move to their assigned tornado shelter areas. Location of tornado exits and shelter areas are posted in each classroom. The most important thing you can do to help is to quickly and quietly go to the designated shelter area. **DO NOT LEAVE THE BUILDING UNDER ANY CIRCUMSTANCES.** Please keep in mind that running and pushing will only hinder the movement to the shelter area. Stay in the shelter area until you are told to leave. Violation of procedures may result in disciplinary action.

Safety drills will be conducted periodically. Teachers will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

### **EMERGENCY CLOSING AND DELAYS**

If the school must be closed or the opening delayed because of inclement weather or other conditions, the school will notify the following radio and television stations:

WAKR-1590 AM WTAM-1100 WCPN-90.3 FM WMJI- 105.7 FM	AM	WKDD-98.1 FM WMMS-100.7 FM WCRF-103.3 FM WGAR- 99.5 FM	WKYC TV 3 WEWS TV 5 WJW TV 8 WOIO TV 19
-------------------------------------------------------------	----	-----------------------------------------------------------------	--------------------------------------------------

## **BCSD Inclement Weather Guidelines**

Calling a snow day is always a difficult decision, and we do not make these decisions lightly. As superintendent of our school district, my decision to close school is always based on the safety of our students and staff. Although there are no hard and fast rules when deciding to close school due to inclement weather, the following conditions are considered:

- The amount of snow on the ground
- The projected amount of snow to fall
- Weather forecast for the school day
- Road conditions
- Temperature
- Wind chill
- Ability of the City of Barberton to plow and salt the streets
- Conditions of school parking lots and sidewalks

When hazardous weather arrives in our community, the most important issue is the safety of our students and employees. As parents, you have the right to keep your students home if you feel it is not safe. If we do close school, my goal will be to make a decision by 5:30 or 6 a.m. When the decision is made, we will send automatic phone messages that reach all of our families and staff members; and we will contact all local radio, TV and newspapers. Please understand that we make difficult decisions about snow days with thoughtful, well-researched and conscientious practices and procedures.

Parents will be notified of school closings or delays via a pre-recorded telephone message delivered to the phone number on file.

Parents and students are responsible for knowing about emergency closings and delays.

## **VISITORS**

All guests (including familiar faces) are required to show valid photo ID and check in at the main school office. Visitors will wear a guest pass that will identify them to all faculty and staff. It is our goal and responsibility to create and maintain a safe learning environment.

2. It is required that you show a valid photo ID and check in at the office upon arrival at the building. At no time are unauthorized persons allowed to go to the classrooms. At dismissal time the teacher will escort your child to the appropriate exit where you may meet your child. This is a safety measure for your children. Parents should wait outside of the school building until the dismissal bell rings.
3. If you must get a message or deliver an item to the school for your child, you must do so through the school office. No one may go to the classrooms for any reason without authorization from the office.

## CHROME BOOK POLICY BHS Chromebook Acceptable Use/Student Pledge Form

Revised June 2016

The purpose of the Barberton City Schools Chromebook Program is to prepare students for their future, in a world of digital technology and information. In this 21st century, excellence in education requires that technology is seamlessly integrated throughout the educational program. Increasing access to technology is essential for that future, and the learning tool we have chosen for students is the Chromebook computer.

The individual use of Chromebooks is a way to empower students to learn at their full potential and to prepare them for real-world situations in college and the workplace. The use of this technology encourages students to solve problems and think critically by stimulating analytical thinking and creativity. Learning results from the continuous, dynamic interaction among students, educators, parents and the extended community.

It is important to note that technology immersion does not diminish the vital role of the teacher. To the contrary, it transforms the teacher from a director of learning to a facilitator of learning.

The policies, procedures and information within this document apply to all Chromebooks used in BCSD, including any other device considered by the administration to come under this policy. **Teachers may set additional requirements for Chromebook use in their classroom.**

### ***Chromebook Identification***

- Student Chromebooks will be labeled in the manner specified by the school.
- Students are not to remove any ID/SN labels on the Chromebook. If labels come off, students must contact a teacher for a replacement label immediately.

### ***Taking Care of Your Chromebook***

Students are responsible for the general care of the Chromebook they have been issued by the school. If a student finds that his or her Chromebook is broken or fails to work properly (for reasons other than those stated below), the student should notify a teacher **immediately**.

If a student Chromebook is damaged purposely or accidentally by another student in the building, then the other student will be held liable. However, if the original student responsible for the Chromebook refuses to tell a teacher or administrator the name of the peer at fault, the student who the Chromebook is assigned to will be held responsible for any damages.

### ***Chromebooks Left in Unsupervised Areas.***

Under no circumstances should Chromebooks be left in unsupervised areas. Unsupervised areas include the school grounds and campus, the lunchroom, locker rooms, library, unlocked classrooms, dressing rooms and hallways.

- If a Chromebook is found in an unsupervised area, it will be taken to the Main Office.
- If a student leaves his or her Chromebook unsupervised, they may be subject to losing Chromebook privileges for the remainder of the year.
- Chromebooks are not to be taken to the weight room, gym, lunch/cafeteria, or locker rooms at any time.
- If the Chromebook is stolen due to negligence, the student could be held responsible for the replacement of the Chromebook.

- If the teacher cannot resolve the issue, the teacher will contact the IT department via the IT Help Desk ticketing system.

Pep rallies are held in the varsity show gym. Attendance at these events is mandatory. The principal's permission must be obtained before an assembly may be presented by a school club, group, or person.

## DANCES

Throughout the school year, Student Council organizes dances for our students. Some of our dances are for BHS students only. For other dances (Prom, Homecoming), we allow students from other schools to attend. NO GUESTS OVER THE AGE OF 20 OR MIDDLE SCHOOL STUDENTS WILL BE PERMITTED TO ATTEND ANY BHS DANCES. If someone wishes to attend a dance, that person must be accompanied by a current BHS student and complete an out of school guest form at least one week prior to the dance. The form must be signed by both parties

involved, the parents of both the BHS student and the non-BHS student, and the principal (or former principal) of the non-BHS student.

In order to promote a healthy, safe, and enjoyable evening for all students, the following procedures will be in place for all dances. All parents and students must sign this agreement. It must be filled out completely **PRIOR** to purchasing a dance ticket. Any incomplete forms or forms suspected of being forged will not be accepted. Barberton High School encourages families to discuss these rules together with their student and to copy this document for future reference.

#### Barberton High School Dance Policy

**Students will receive a wrist band when entering the dance. If a student is caught grinding or dancing inappropriately, the wristband will be cut. This will serve as a warning to the student. If a chaperone/administrator sees a student dancing inappropriately and they have already received their warning (no wristband), they will be asked to leave the dance. No refunds will be given to the student and the Parent/Guardian will be notified by the phone number(s) provided.**

- Every dancer must be in a vertical (standing) position-“The Vertical Rule.” No moshing, crowd surfing, slam dancing or other forms of unsafe dance permitted.
- Face to face preferred but not mandatory. Front to back acceptable with no bending or leaning over.
- No inappropriate touching (i.e. fondling, groping of private areas etc.)
- No “making out” (no overt and/or prolonged public displays of affection).
- Both feet on the floor while in front to back or face to face style of dancing.
- Hands on waists or shoulders only.

This form serves as a warning. Students who do not adhere to the policy may be dismissed from the dance, with no refund given.

By signing below, I understand and agree to the above mentioned guidelines. I also understand that I will forfeit my/my guests’ admission cost(s) to the dance and be removed from the dance if I or my guest violates these rules.

Legal action may be taken and charges could be issued by the Barberton Police Department depending on the nature and severity of the incident.

### **CODE OF CONDUCT**

A major component of the educational program (at the school) is to prepare students to become responsible citizens by learning how to conduct themselves properly and in accordance with established standards. Students are expected to behave in accordance with Federal, State and local laws and rules and Board policies and Administrative Guidelines, and in a way that respects the rights and safety of others. Staff will take corrective action to discipline a student and/or to modify the student's behavior when a student's behavior does not fall within these parameters.

School staff may report suspected criminal misconduct by a student to law enforcement. Law enforcement officers will be permitted to carry out necessary law enforcement functions in the schools, including the removal of a student from school grounds in appropriate circumstances.

### **BARBERTON HIGH SCHOOL AFTER SCHOOL DISCIPLINARY CLASS (ADC)**

A set of rules and regulations concerning the operation of After School Disciplinary Class will be given to each student assigned to this class. The After School Disciplinary Class assignment is not considered fulfilled until all rules, regulations, assignments, and any other requested forms of participation are completed. It is the student's responsibility to bring work to do during the time the student is assigned After School Disciplinary Class. Regular class assignments, homework, make-up work, review work and reading material are all acceptable.

**AFTER SCHOOL DISCIPLINARY CLASS TAKES PLACE ON THURSDAY** for 2 ½ hours at the end of the school day IN ROOM A150.

Failure/Refusal to serve Disciplinary Class may result in additional discipline (including DDC or OSS).

### **DETENTION**

A student is assigned a detention for various unacceptable behaviors. Students are assigned to the school detention by any principal, **any** staff member, or any substitute for a staff member. Notices for detention assignment will be given to students in writing. The teacher will assign the date, time and location for the detention to be served. The teacher will hold their own detention. **Failure to serve a teacher detention will result in an After School Disciplinary Class Detention.**

### **DAYTIME DISCIPLINARY CLASS**

All infractions of the Code of Conduct may result in Daytime Disciplinary Class. Tardiness to school, unexcused and partial unexcused, truant to class and zero tolerance violations are examples of infractions with specified consequences. Repeated infractions may result in OSS.

Further, the student is not allowed on or in line of sight of any school property during the length of the suspension. Teachers of students who are placed on OSS are required to make assignments available to those students who ask for them. It is the expectation that work is completed upon return at which time credit will be given. Students who are given OSS during the quarter may be unable to participate in any extra-curricular activities (i.e. field trip, football games, basketball games, dances, etc.) for two consecutive quarters. NOTE: In the event of school cancellation for any reason, OSS is extended by the number of days school has been canceled.

### **EXPULSION**

Expulsion may be the result of a single severe school rule violation or the result of a number of smaller rule violations. Any student expelled for the remainder of a semester may receive no credit for 18 week classes taken during that semester. Expulsion may be held in abeyance and/or can be in effect for up to eighty (80) days at the discretion of the Superintendent. A student may remain suspended pending the outcome of expulsion proceedings. Any expulsion imposed begins when the out of school suspension days expire. If a student is provided an alternative educational setting (i.e Grad Point, Home Instruction) in lieu of expulsion by the Superintendent, the student is required to follow the rules and regulations of that setting (which include maintaining academic progress and attendance) or may be referred back to the Superintendent for a subsequent hearing.

### **DUE PROCESS RIGHTS**

As long as the in-school discipline is served entirely in the school setting, it is not subject to appeal.
