

Barberton High School  
2021-2022 Meal Services

**Breakfast:** Breakfast will be served from 7:00-7:20. All students are invited to come to the cafeteria, select their breakfast items, and will be allowed to sit in the Commons and eat their breakfast. All MEALS are FREE this year. We are asking all our students to carry an ID so we can scan them to record their meal, there is no charge, it just shows they received the meal.

**Lunch:** All students will be allowed to come to the Commons for lunch. All meals are FREE but we are asking students to carry their ID (the school will provide) with them, so we can record the meal and if they want to purchase an ala carte item such as a beverage, chips, ice cream or cookies. There is NO cost for the meal, it just records that they received one. We have scanners to read the ID cards so students will not have to use a pin pad to enter a number. It is very time consuming to have to look up each student's account to verify if they have funds to purchase the extras. Students will only need money if they plan to purchase an extra with their lunch, please send in cash or a check made out to BHS Cafeteria. You can also register (register as the parent) on [payschoolscentral.com](https://payschoolscentral.com), set up an account, and add money using this process. There is NO charging of extras.

Your Food Service Staff is looking forward to seeing you.

Thank you for all your help. I hope you have a great school year.
