Good evening parents and Students this is Mr. Ramnytz, Superintendent of Barberton Schools.

After having multiple conversations and listening to our students and parents...this summer it became clear that bullying is on the hearts and minds of many parents and members of our community.

After discussing this feedback with the administrators in the buildings, we want you to know that we will not tolerate bullying of any type (physical, written, verbal and electronic). We have a plan for how to work together to deal with bullying.

The key to stopping bullying from taking place or continuing is the immediate reporting of any incident to staff and principals.

We take this very seriously and will investigate every bullying report. Every, single, one. If we do not know about the bullying, there is nothing we can do. We encourage students to let us know immediately, and if parents know they need to call us as well.

Please understand that every investigation does not result in discipline based on the bullying policy. Many times each individual involved committed an infraction. This would be considered a peer dispute and handled appropriately.

If it is found that there in fact is bullying taking place (frequent, one sided harassment), it will be dealt with everything in our power based on the regularly reviewed Barberton Code of Student Conduct and Discipline.

Barberton is a great community and we promote a safe welcoming family atmosphere in the schools for everyone. We encourage our students to be respectful to each other and to lookout for each other.

Parents we need your help.

Please continue to encourage your children to treat everyone with respect and to report any bullying to us immediately.

The safety of every child is vital to their ability to learn, which is why it's our top priority.

If you have questions about our student conduct policy, I'd like to hear them. Please call (330-753-1025) or email anytime.

Mr. Ramnytz

The Policies and Guidelines are periodically updated in response to changes in the law and other circumstances. Therefore, there may have been changes to the documents reviewed in this Handbook since it was printed in August 2017. BARBERTON INTERMEDIATE SCHOOL

Handbook for Students/Parents 2022-2023

This handbook has been prepared for your information and use. When you have questions about the school, please refer to this handbook. If you have questions which the handbook does not cover, please call your child's school. We suggest that you keep this handbook in a convenient location so that you may refer to it as questions arise throughout the school year. Following the rules and procedures specified in this handbook will help to make school a rewarding experience for you and your child.

Our goal is to educate each child according to his/her ability. Teaching children basic academic skills and values is a very important part of the educational program. We expect each child to come to school ready to learn, become thinkers and contribute positively to a safe learning environment.

This Handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the School's rules as of August 1, 2022. If any of the policies or administrative guidelines referenced herein is revised after August 1, 2022, the language in the most current policy or administrative guideline prevails. Copies of current Board policies and administrative guidelines are available from the building principal and on the District's web site, www.barbertonschools.org.

We hope that each student has an educationally rewarding and enjoyable school year.

The Barberton City School District Board of Education is committed to equal opportunity and non-discrimination in all of its programs and services, and does not discriminate on the basis of race, ethnicity, color, religion, sex, including marital status, national origin, ancestry, age, sexual orientation, disability or veteran status.

The Barberton City School District Board of Education will comply with all Federal and State laws in identification, evaluation, discipline, and provision of services to students with disabilities.

STATEMENT OF PHILOSOPHY

We, The Barberton City Schools Board of Education, believe that all youth have a right to educational opportunities of quality and caliber, which will develop their potential as individuals and citizens in a democratic society. This education must be efficient, effective, conducted through an instructional process that recognizes each child as unique with unique abilities and needs, and accomplished at a cost in keeping with the best principles of fiscal management and responsibility to the taxpayers.

In pursuit of these goals, we are committed to provide each student with the following opportunities;

- 1. To master the basic intellectual skills of reading, writing, computation, speaking and listening.**
- 2. To instill an understanding of the world and our ever-changing society in order to cope and adapt to the environment of circumstances.**
- 3. To acquire knowledge and understanding of both our cultural and scientific heritage and contemporary world.**
- 4. To foster experiences in democratic living and intellectualize such experiences.**
- 5. To foster and develop individual skills and attitudes that will promote success in post-secondary education and/or in the world of work.**
- 6. To foster the development of creative, aesthetic, and cultural abilities and interests.**
- 7. To promote the wise and productive use of leisure time.**
- 8. To develop and promote those habits of good health and physical activity that are conducive to a long, productive and happy life.**
- 9. To foster a strong sense of self-respect and a commitment to respect and protect the rights of others.**
- 10. To promote and encourage a high value on education.**
- 11. To encourage the setting and meeting of higher personal performance standards.**

We recognize that the mandate for equality, rights, and opportunities cannot guarantee absolute quality of educational outcome. Personal, social, financial, and political factors that are beyond a public school system's realm of influence and control all play their role in the molding of students. Nevertheless, within these restraints, we are committed to the achievement of excellence and to the furtherance of these goals. As a Board of Education, we are ever cognizant of our obligations under State and Federal laws and our burden of trust and responsibility to the local citizens within the Barberton City School District for whom the educational institution exists to serve.

The Barberton City School District, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

School Responsibilities

The Barberton City School District will:

SECTION I – GENERAL INFORMATION

ENROLLING AND/OR WITHDRAWING

In general, State law requires students to enroll in the school district in which their parent or legal guardian resides unless enrolling under the District's open enrollment policy.

New students under the age of 18 must be enrolled by their parents or legal guardian. When enrolling, parents must provide copies of the following:

- A. A birth certificate or similar document
- B. Social Security Card
- C. Court papers allocating parental rights and responsibilities, or custody (if appropriate)
- D. Proof of residency
- E. Proof of immunizations
- F. Parent/Guardian ID

All Barberton Schools enrollments are done at the Administration Building, 633 Brady Ave, Barberton 44203. Please complete online registration through Final Forms which can be found at www.barbertonschools.org. After completion of Final Forms please contact your Barberton Board of Education to complete registration. Any questions about enrollment should be directed to the Administration Office at 330-753-1025.

Parents must notify the Principal about plans to transfer their child to another school. School records including disciplinary records of suspension and expulsion, will be transferred to the new school within 14 days of the parents' notice or request.

For health and safety reasons we are asking that parents inform the schools of any and all phone and address changes through the year. This can be done in Final Forms. It is critical that the schools have current information to better communicate with you. This is the responsibility of parents.

The parent/guardian should fill out a records release form when they enroll at a new school. A copy of the student's records will be mailed directly to the new school.

A student is deemed to be enrolled until we receive a request and notice from the student's new school. This counts towards truancy and grades.

Steps to **Enroll** Barberton City Schools

Thank you for using the Online Enrollment system to register your child with the Barberton City Schools. The system is a secure and green process, which allows the district to verify all student demographic, emergency, and medical information for your child prior to the start of the new school year. The system will also allow you to electronically sign the annual permissions for school district policies. This online process replaces the majority of the hard copy student registration and permission forms that your child brings home from school on the first day of school.

We ask that you please take action to complete the registration as soon as possible. Your student's registration will not be complete until the forms have been submitted. If you do not have access to the internet, we have computers available at the Administration office.

ATTENDANCE

Regular attendance is an important factor in the establishment of a good scholastic record. Work missed through absences is difficult to make up. There is no substitute for the actual participation in the daily classroom discussion and work. Perfect attendance is encouraged and rewarded and is our goal for every student. Perfect attendance is defined as 0 days absent and 0 times tardy.

Absences: When a child is absent from school for illness or other reason, it is the responsibility of the parent to call the school between 7:00 a.m. and 8:15 a.m. each day to report the absence.

Reporting a student absent:

Please call your school's phone number and press 2.

Please state:

Your name

Your child's name

Teacher's name or homeroom

Reason for the absence

Excused Absence: The Board considers the following factors to be reasonable excuses for time missed at school:

- A. personal illness (a written physician's statement verifying the illness may be required)
- B. appointment with a health care provider
- C. illness in the family necessitating the presence of the child
- D. quarantine of the home
- E. death in the family
- F. necessary work at home due to absence or incapacity of parent(s)/guardian(s)
- G. observation or celebration of a bona fide religious holiday
- H. out-of-state travel (up to a maximum of twenty-four (24) hours per school year that the student's school is open for instruction) to participate in a District-approved enrichment or extracurricular activity. Any classroom assignment missed due to the absence shall be completed by the student. If the student will be absent for twenty-four (24) or more consecutive hours that the student's school is open for instruction, a classroom teacher shall accompany the student during the travel period to provide the student with instructional assistance.
- I. such good cause as may be acceptable to the Superintendent
- J. medically necessary leave for a pregnant student in accordance with Policy 5751
- K. Absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status
- L. Absences due to a student being homeless

Any excessive absences may require a doctor's excuse for the school files. A written explanation must be sent with the student on the day he/she returns to school or the absence may be considered unexcused.

Excessive Absenteeism: When a student is absent 38 or more hours in one school month with or without an excuse or they are absent 65 or more hours in one school year with or without an excuse they are considered excessively absent.

Truancy: A student will be considered "habitually truant" under State law if the student is absent without a legitimate excuse for 30 or more consecutive school hours, for 42 or more school hours in one school month, or 72 or more school hours in a school year.

If a student who is habitually truant violates the order of a Juvenile Court regarding the student's prior adjudication as an unruly child for being a habitual truant, s/he may further be adjudicated as a delinquent child. In order to address the attendance practices of a student who is habitually truant, the Board authorizes the Superintendent to take any of the following intervention actions:

- A. Assign the student to a truancy intervention program
- B. Provide counseling to the student
- C. Request or require the student's parent to attend a parental involvement program
- D. Request or require a parent to attend a truancy prevention mediation program
- E. Take appropriate legal action
- F. Assignment to an alternative program, if available

Partial Absence: Students who arrive after the 8:35 a.m. tardy bell must report to the office with a parent to sign in and obtain an admittance slip. Habitual lateness to school is considered as a form of truancy and may result in a truancy referral.

The Superintendent is authorized to establish an educational program for parents of truant students which is designed to encourage parents to ensure that their children attend school regularly. Any parent who does not complete the program is to be reported to law enforcement authorities for parental education neglect, a fourth class misdemeanor if found guilty.

PARENTS/GUARDIANS CAN BE CHARGED WITH CHILD NEGLECT OR CONTRIBUTING TO DELINQUENCY, A FIRST DEGREE MISDEMEANOR, IF YOUR CHILD CONTINUALLY FAILS TO ATTEND SCHOOL.

Please note: missing the bus or oversleeping by the parent or student is not an acceptable excused reason for being late to school

Vacation:

The Board of Education does not encourage students being excused from school for vacations or non-emergency trips out of the district. However, we recognize that family work schedules may

cause a child to be out of school for a short period of time during the school year. The vacation policy is to accommodate parents who can only get his/her scheduled vacation time during the academic school year. The responsibility for taking a child out of school for a vacation or non-emergency trip rests with the parents, and they must notify the school administration in advance. Parents must not expect work missed by his/her child to be re-taught by the teacher. However, if the school is notified in advance, every effort will be made to provide a general list of assignments. Vacations will not be approved during two consecutive weeks of any semester. Students who are absent for more than two consecutive weeks should be enrolled in another school or have a professional tutor. Evidence of such attendance or tutoring should be presented upon return to Barberton.

The school is directly responsible for supervision of students only while they are on school property during the school day. Once they leave school property, this becomes the responsibility of the parents. The school will cooperate with parents in stressing the rules of safety to and from school and will assist with discipline problems that occur between home and school. Generally, misbehavior that occurs off school property is a police matter.

DISMISSAL

Dismissal procedures for car riders and walkers will be shared with families previous to the start of the school year however they are subject to change. Please adhere to these procedures for a safe and efficient dismissal each day.

EARLY DISMISSAL FROM SCHOOL

When parents wish for their child to be dismissed early for any portion of the school day for a doctor's appointment, a note should be sent to the school the day before, if possible. Pupils who are excused from class during the school day must be signed out at the office by a parent or other authorized person. Be prepared to show your I.D. when you come to sign your child out of school.

Please keep in mind, the school day ends at 3:05pm. Important learning takes place until the very end of the day. It is encouraged to make every attempt to schedule appointments outside the school day.

ELECTRONIC DEVICES

The use of personal electronic devices are permitted only with administrative approval, or approval from classroom instructors. Devices such as cell phones, smart phones, tablets, iPods, iPads, or other personal electronic devices cannot be used during the school day. Permission to use personal electronic devices will vary depending on the location of the building. Earbuds and headphones are not permitted without permission of the classroom teacher, study hall monitor, or other school personnel.

Consequences for Violation of the Electronic Devices guideline will be the following:

Violation of the Electronic Devices guideline as outlined in this document may result in the following disciplinary actions (the administration may vary discipline based on the situation):

Students will face suspension and possibly expulsion for using an electronic device of any kind to cheat in class. In addition, students may not record any lesson or any other event without the teacher or administration pre-approval. Students who record other students or events may face

suspension or expulsion. **ELECTRONIC DEVICES** such as, but not limited to wireless or electrical communication devices personal or school owned, i.e., cell phones, cameras, ipods or electronic gaming systems. Any misuse of school and/or school owned devices and/or technology, or violation of this rule may result in confiscation of the device and/or disciplinary action. Administrators may hold the device until a parent claims it from the school office. Contents of cell phones may be searched if a reasonable suspicion exists that it may have been used in an activity prohibited by the Code of Conduct. Administrative time may not be used to investigate lost or stolen electronic items.

TELEPHONE

Outgoing calls: Students must have permission from the principal, teacher, secretary or other staff member before they use the telephone. Calls should be made for emergencies only.

Incoming calls: Phone calls regarding students' dismissal procedures are unacceptable unless it is an emergency situation. Please **DO NOT** call the school during the day with this type of information. Any change in your student's established dismissal routine **MUST** be in writing from the parent and given to the classroom teacher before the 8:35 a.m. tardy bell.

CUSTODY CASES

If a court order exists concerning the legal custody of your child, the parent or guardian who has legal custody must provide the school office with a copy of these directives and a letter indicating who has access to the child during the school day. (If getting copies is a problem, bring the original papers to the office, and we will copy them for you.) A letter from an attorney is not acceptable.

It is the responsibility of the parent or guardian who maintains legal custody to see that these directives are on file in the school office. We want to be sure that children are released only to authorized adults.

STUDENT WELL BEING

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident reporting procedures. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately. See **Something, Say Something**

Each student enrolled in Barberton Schools must have emergency information entered into Final Forms. Carefully complete the space for emergency numbers of people the office could contact in the event of an illness or emergency. These people will be contacted only in the event that we

cannot contact the parent/guardian. If your child has a medical condition, which could require emergency attention, please notify the Office.

RECORDS

The school keeps a permanent record folder, a health card, attendance information, and other records for each student. These records contain important academic and personal information. It is important that the school has a record of special chronic illnesses, anticipated medical problems, and instructions for dealing with them. The school also must be informed of changes in addresses and phone numbers.

INJURY AND ILLNESS

All injuries must be reported to a teacher, other staff member, the nurse or the office. If the injuries are minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures and attempt to make contact with the student's parents.

A student who becomes ill during the school day should request permission to go to the office. The school nurse/office aide will have students rest in the office or call home. Students will not be permitted to go home unattended. A parent or responsible adult will be contacted before the student is excused from school. The parent must pick up the student in the school office. Students are NOT to call home to ask to leave the building. The school office will place the call.

HEALTH/MEDICATION INFORMATION

1. **NO** medication will be given without the completion of medication forms, available in the school office. One form is to be completed by the parent and the other by the physician. For example, if your child misses school and has a prescription, they must take the medication at home or have the required forms completed. Only medication in its original container; labeled with the date, if a prescription; the student's name; and exact dosage will be administered. Medication is to be brought to the office first thing in the morning, and will be kept in a secure location in the office.

At the end of the school year, it is the responsibility of the parents to pick up the unused medication and container. The school principal will dispose of any medications left the next day.

2. Children should not attend school if they have either a fever, rash, obvious symptoms of cold or flu, or have vomited within the last 24 hours. Please be prudent in your decisions concerning this area so that infections are not transmitted to other children.
3. Children restricted from school activities such as gym or recess must have on file a written note from the physician.
4. If you desire homework for your child who has been absent, the school office must be notified at the time you report your child absent from school. Make up work will be given upon return unless the student's absence exceeds three days. Assignments will be ready for parents to pick up at the office by 3:25 p.m. on the day you have requested.
5. Communicable diseases should be reported to the school office when they occur. Children should remain home until all symptoms of the disease disappear or a written release from the doctor is submitted. Children placed on antibiotics for communicable illnesses should not return to school until they have been on their antibiotics for at least 24 hours. Information on Control of Casual-Contact Communicable Disease (Policy 8450), Control of Direct-Contact Communicable Diseases (Policy 8453), and Control of Blood-Borne Pathogens (Policy 8453.01) can be found on our website (www.barbertonschools.org).
6. All pupils must have up-to-date immunization records on file in the school office. In order to safeguard the school community from the spread of certain communicable diseases, the Board of Education requires all students to be immunized against chicken pox, poliomyelitis, measles, diphtheria, rubella (German measles), pertussis, tetanus, mumps, and Hepatitis B. It is highly recommended that students have the full set of immunizations required for the younger students. If there is any reason your child cannot have these immunizations, an exemption form must be on file. The school nurse must approve acceptable variations in the immunization schedule. You may call the school nurse at your building. Failure to comply with immunization requirements will result in exclusion from school. State law requires this.
7. If an accident or sudden illness occurs at school, necessary first aid will be administered. If in the judgment of the principal and/or school nurse, conditions warrant your immediate attention, you will be notified. If you cannot be reached, we will use the emergency form to contact the person you have designated.

If your child is asthmatic, it is the parent/guardian's responsibility to complete the Asthma Action Plan and return it to the school office. If the child must carry an inhaler, a Med 3 form must be on file signed by the parent and doctor. It is recommended that an extra inhaler also be kept in the school office.

8. Our school nurse has provided these guidelines for management of head lice (Pediculosis) (Policy 8451):

The goal of these guidelines is to minimize the transmission of head lice in school, while maximizing school attendance for all students. The guidelines are based on recommendations of the CDC, AAP, NASN, and AAFP,

Head lice screenings will fall into three categories:

Identification of cases and subsequent response:

1. A student may be checked for head lice due to a display of signs or symptoms or because of close contact with an active, known, case.
2. If nits are noted, but live lice are not seen with visual observation, the student shall be checked with the Robicomb (unless medically contraindicated) – if no live lice are found:
 - An information letter shall be sent home with the student at the end of the day.
 - The student may remain in school.
 - The student will be scheduled for a recheck in a few days.
3. If nits are noted and live lice are seen visually or found with the Robicomb.
 - The student may remain in school at the discretion of the nurse.
 - The teacher will be informed in order to monitor head to head contact activities. A letter will be sent home at the end of the day requesting treatment before returning to school.
 - An attempt will be made to contact the parent by phone. If they choose to pick up the child early, it will be an excused absence.
 - The student is allowed, but not required, to take one day excused absence for treatment of lice.
 - The student may return to school as soon as a treatment has been completed.

STUDENTS WITH DISABILITIES

The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students, but to all individuals who have access to the District's programs and facilities (Policy 2460). Further information can be found on our website.

HOMELESS STUDENTS

Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the District. Homeless students are eligible to receive

transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs. Homeless students will not be denied enrollment based on lack of proof of residency. For additional information contact the Student Services Director at 330-753-1025 ext. 13127.

PROTECTION AND PRIVACY OF STUDENT RECORDS

The School District maintains many student records including both directory information and confidential information.

The Board designates as student "directory information" to comply with the legal provisions of House Bill 204S: a student's name; address; telephone number; date and place of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; or awards received; honor roles; scholarships; or telephone numbers only for inclusion in school or PTA directories.

Directory information shall not be provided to any organization for profit-making purposes.

Parents and eligible students may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board within fifteen (15) days after receipt of the Superintendent's annual public notice.

Any entity receiving personally identifiable information pursuant to a study, audit, evaluation or enforcement/compliance activity must comply with all FERPA regulations. Further, such an entity must enter into a written contract with the Board of Education delineating its responsibilities in safeguarding the disclosed information. Specifically, the entity must demonstrate the existence of a sound data security plan or data stewardship program, and must also provide assurances that the personally identifiable information will not be disclosed without prior authorization from the Board. Further, the entity conducting the study, audit, evaluation or enforcement/compliance activity is required to destroy the disclosed information once it is no longer needed or when the timeframe for the activity has ended, as specified in its written agreement with the Board of Education.

Any parent or student who believes that the School District has failed to comply with the Family Education Rights and Privacy Act ("FERPA") or the Protection of Pupil Rights Amendment ("PPRA"), may file a complaint directly with the Family Policy Compliance Office, US Department of Education, 400 Maryland Ave SW, Washington, DC 20202-8520.

STUDENT FEES OR FINES

INSTRUCTIONAL FEES

No instructional materials fee will be charged this year.

CARE OF SCHOOL PROPERTY

This is our school. We are proud of it. In order to maintain our pride, we must keep it clean and attractive. Students are responsible for the proper care of supplies, furniture, equipment, and buses. Therefore, any student who disfigures property, breaks windows, or does other damage is responsible for payment. We can all help by remembering to:

- Place waste materials in containers provided.
- Not write on or place signs on the painted surfaces.
- Not write or scratch on desks.
- Work together to keep the inside and outside of the building as clean and neat as possible.

Textbooks and Library Books

All necessary textbooks and technology are furnished at no cost to the student as well as the privilege of using the library materials. However, if any of these materials are lost, destroyed, or misused, the student responsible will be expected to pay the replacement cost for that item.

Collection of Debts: Any monies owed to the school will be recorded as soon as the debt is incurred. The records of a student will be held if the student has a debt to the school for lost or damaged textbooks, instructional materials, or equipment; lost or damaged library materials; meal fees; lost or damaged athletic equipment; club or organization materials or fund raising merchandise or money not turned in; damages to school property or buildings; or any other debt deemed to be legitimate by the principal. Records, credits, confiscated items or diplomas will be held until debts are paid.

LOCKERS AND DESKS

Lockers and desks are school property and are subject to search by school officials at any time.

FOOD SERVICE

Breakfast and lunches are served as part of the total educational program at Barberton City Schools. Breakfast and lunch prices will be announced at the start of school. There is financial help available for all students' families who cannot afford the price of the meal. This includes a hot regular lunch

in all buildings or pizza lunch or sub lunch at middle school and high school. Ala carte items are not included with the free/reduced meal program. Paper applications can be obtained from your school office or by going to the Barberton City School district homepage [Food Service Department](#). We recommend families can apply online by going to: payschoolscentral.com, click on register, select I am a parent and follow the prompts. You must have your child(ren's) student ID number to take advantage of this option. Qualifying families should return the completed applications to the school office as soon as possible. A NEW APPLICATION MUST BE FILLED OUT EACH SCHOOL YEAR, before September 15. Parent/Guardian whose children were free or reduced-previously will need to login to payschoolscentral.com and update their information. Students will automatically change to paid meal status if application is not updated before September 15.

Each student will have an I.D. number and/or ID card that will only be used for buying school breakfast, lunch or extra milk or ala carte items. Students are permitted to pay for their meals in advance. Prepayment can be made by sending cash or a check made payable to the school cafeteria. Money will only be deducted when the student uses the account. Barberton City Schools also offers Pay Schools Central Program (the same program for free/reduced meal applications). Using his program will reduce the chance of lost or stolen money for meals. To access this convenient program, log onto payschoolscentral.com and select the "Sign Up" option from the menu. The screen will guide you through the process to establish your account. We strongly encourage families to sign up for the auto replenishment option which automatically adds an amount of money you set when the balance reaches a low amount. This will ensure your child(ren) will always have funds to purchase their meals. Money will only deducted when the student makes a purchase. For students not wishing to have the convenience of having money on their account, the computer will act like a cash register and accept cash through the line.

IT IS NOT A POLICY OF THE BARBERTON CITY SCHOOLS TO LOAN MONEY FOR MEALS.

The cafeteria will keep an updated roster of the students who have borrowed money. At the end of each school year this list of students will be submitted to the school office, and any money owed the cafeteria will become a fee obligation which must be paid in full. Students who owe the cafeteria lunch-money may not purchase any extra á la carte items until their balance is "paid off in full". Students are discouraged from sharing their foods or beverages with one another during meal times, given concerns about allergies and other restrictions on some students' diets.

Lunch Boxes, Treats and Snacks

Please see our district [Food Service Department](#) website for good nutritional choices.

*Remember to keep your child's food safe by putting ice packs in the lunch box when meats and dairy products are given. Milk, 100% juices, water and a variety of nutritious snacks are available for purchase in the cafeteria daily. For more information on nutrition for you and your children visit www.healthiergeneration.org or www.choosemyplate.gov

SAFETY AND SECURITY

Tobacco, Alcohol and Other Drugs

The Barberton Schools shall not permit any student to possess, transmit, conceal, consume, show evidence of having consumed, used or offered for sale any alcoholic beverages, illegal drugs, non-prescription drugs, look-alike drugs, or any mind altering substance while on school grounds or facilities; at school sponsored events; in other situations under the authority of the District or in controlled vehicles. Included in this prohibition are any substances represented as a controlled substance, non-alcoholic beers, steroids, tobacco and tobacco products, vapor products and drug paraphernalia.

- Students found in violation of this policy will be subject to disciplinary action as described within the student code of conduct up to and including expulsion and referral for prosecution. Schools will provide information concerning counseling and professional treatment programs.
- Adults are also prohibited from smoking on school property.

PERSONAL ARTICLES

Students are discouraged from bringing to school excess money and/or other valuables such as cell phones, tablets, gaming devices or MP3, or expensive personal items. The school is not responsible for lost or broken articles.

PETS/ANIMALS

Per District Policy #9150, no animals should be brought onto school premises at any time, except in the case of “service animals” required for use by a person with a disability.

BICYCLES

We discourage bicycling to school however, students who do ride bikes to school must have them in good condition and a lock placed on the bike in the bike rack at school. The school is not responsible for lost or stolen bicycles, skateboards or scooters. These items are to be walked onto school property to prevent accidents and students must follow all safety rules. Students violating these rules will lose this privilege. It is strongly suggested that children riding bicycles to school wear helmets.

FIRE, TORNADO, AND SAFETY DRILLS

FIRE/TORNADO DRILL PROCEDURES

The School complies with all fire safety laws and will conduct fire drills in accordance with State law. Each class will receive instructions for fire and tornado drill procedures. Follow instructions given by the teacher.

1. Check the posted instructions in each classroom for fire and tornado drill procedures.
2. WALK. NO TALKING. Move quickly and quietly to the designated area(s).
3. Wait for instructions before returning to classrooms.

LOCKDOWN DRILL AND EVACUATION PROCEDURE

The Barberton City School District has policies and procedures in place to address both of these issues. Safety drills will be conducted periodically. Teachers will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

EMERGENCY CLOSING AND DELAYS

If the school must be closed or the opening delayed because of inclement weather or other conditions, the school will notify the following radio and television stations:

WAKR-1590 AM	WKDD-98.1 FM	WKYC TV 3
WTAM-1100 AM	WMMS-100.7 FM	WEWS TV 5
WCPN-90.3 FM	WCRF-103.3 FM	WJW TV 8
WMJI- 105.7 FM	WGAR- 99.5 FM	WOIO TV 19

Calls should NOT be made to the school office. The Superintendent makes decisions regarding school closings and parents will be notified of school closings or delays via a pre-recorded telephone message delivered to the phone number on file.

Parents and students are responsible for knowing about emergency closings and delays. DO NOT send children to school until you are sure school will be open. Please inform your child what to do or where to go if it is necessary to dismiss school early.

BCSD Inclement Weather Guidelines

A snow day is always a difficult decision, and we do not make these decisions lightly. As superintendent of our school district, my decision to close school is always based on the safety of our students and staff. Although there are no hard and fast rules when deciding to close school due to inclement weather, the following conditions are considered:

- The amount of snow on the ground
- The projected amount of snow to fall
- Weather forecast for the school day
- Road conditions
- Temperature
- Wind chill
- Ability of the City of Barberton to plow and salt the streets
- Conditions of school parking lots and sidewalks

When hazardous weather arrives in our community, the most important issue is the safety of our students and employees. As parents, you have the right to keep your students home if you feel it is not safe. If we close school, the superintendent's goal will be to make a decision by 5:30 or 6 a.m. When the decision is made, we will send automatic phone messages that reach all of our families and staff members; and we will contact all local radio, TV and newspapers. Please understand that we make difficult decisions about snow days with thoughtful, well-researched and conscientious practices and procedures.

PARENT BROADCASTS

The Parent Broadcast is a school-to-parent notification service that allows the Barberton Schools to make one phone call, record a detailed voice message, and send it immediately to all parents (and staff). Schools across the country are looking for ways to improve how they communicate with parents. In times of an emergency, schools want the ability to reach all parents right away – in a matter of minutes. Schools also want a communication strategy that measurably improves parental involvement. Parent Broadcasts can help. Schools use Parent Broadcast for many reasons, including:

- ◆ School Crisis Response
- ◆ School Closings
- ◆ Non-emergency Reminders & General School News

The Parent Broadcast system is equipped with an 800 number that allows parents/guardians to update phone numbers or email addresses to their account. This 1-800-510-5805 number will also allow parents to listen to the school's most recent parent broadcast message.

NEWSLETTERS/EMAILS/NOTICES

From time to time, notices or bulletins will be given to your child. Please encourage your child to bring notices home. Newsletters and emails will inform you of many school activities and projects pertaining to your school.

VISITORS

All guests (including familiar faces) are required to show valid photo ID and check in at the school office. Visitors will wear a guest pass that will identify them to all faculty and staff. It is our goal and responsibility to create and maintain a safe learning environment.

PARENT/GUARDIAN VISITATION

1. Parents/guardians are welcome to visit the school to observe the program in operation. Please call the office the day before you wish to visit and arrange a mutually agreeable time between parent and teacher of not more than 30 minutes. Classroom observations are limited to parents/legal guardians.
2. It is required that you show a valid photo ID and check in at the office upon arrival at the building. At no time are unauthorized persons allowed to go to the classrooms. At dismissal time the teacher will escort your child to the appropriate exit where you may meet your child. This is a safety measure for your children. Parents should wait outside of the school building until the dismissal bell rings.
3. If you must get a message or deliver an item to the school for your child, you must do so through the school office. No one may go to the classrooms for any reason without authorization from the office.

EVENTS

The district will provide every person with an equal opportunity to participate in the activities of the district. If there are any school activities that a person with disabilities wishes to attend, but for which a reasonable accommodation may be necessary, please contact the building administrator.

LOST AND FOUND

Most articles, which are found, are turned in to the office. If the article is labeled, the child will be notified. If the article is unlabeled and unclaimed after a reasonable length of time, it will be given to a welfare agency. Boys and girls should be encouraged to make an attempt to locate clothing and other personal possessions, which they lose or misplace. We are attempting to teach children to develop responsibility. Many valuable items are unclaimed during each school year.

SECTION II – ACADEMICS

PROGRESS BOOK

The Barberton City School District has implemented the parental access feature of our web-based grade book, Progress Book. Your child's classroom teachers have been offered the opportunity to post assignments, grades, messages, and homework to a secure Internet site for you to view. Each parent will be given a unique username and password. To access this information you need to use a computer that has Internet access, and you need to use Internet Explorer to access the Internet. GRADING

Report cards are issued at the end of each nine weeks for all students. To keep families informed of concerns about students' progress please check Progress Book using the steps above. There is one regularly scheduled parent/teacher conference day each semester, however, conferences to discuss students' progress or concerns may be requested by either the school or the parent at any time.

TESTING

Standardized achievement tests and competency tests, as required by Ohio law, are given to Barberton students at specified grade levels. These tests also enable the school staff to monitor student progress and strengthen the curriculum.

VOCAL MUSIC, INSTRUMENTAL MUSIC, ART, TECHNOLOGY, SPANISH AND PHYSICAL EDUCATION

All pupils are regularly scheduled for classes in six special areas listed above. Gym shoes must be worn by all pupils during physical education. This is for the child's protection and safety.

HOMEWORK

- Homework is a necessary part of each student's educational program. Each student must be expected to spend some time in addition to scheduled class instruction to achieve satisfactory work.
- Some assignments are long range in nature and require planned study time for their completion.
- Planned study eliminates the necessity of spending too much time in completing an assignment the day before it is due.
- Extra time may be needed to work with your child after school especially in the areas of reading and math. It is recommended that students read every night for 20 minutes and practice math facts.

HOW TO STUDY

Attitude is important – think positively – work independently.

1. Keep your mind on what you are doing. Learning requires concentration.
2. At home there should be a definite, well-lighted, quiet place to study.
3. Read the entire assignment rapidly; re-read slowly to understand content and details. Make notes.

A student who studies well will:

1. Bring pencil, paper and other materials necessary to function in the classroom;
2. Be an active participant in the classroom, listen well, take part in discussions;
3. Ask questions if he/she doesn't understand or if he/she has a problem;
4. Plan his/her work and schedule time for homework each day and make sure he/she understands his/her assignments before leaving school;
5. Use what he/she learns and see how each subject applies to the others; and
6. Strive to do his/her best and not just get by.

PROMOTION, ACCELERATION, ASSIGNED and RETENTION

The promotion, acceleration and retention of each student in the Barberton City School District will be determined individually. The decision to promote a student or to retain a student in a grade will be made on the basis of the following factors which the teacher will take into consideration: reading grade, mental ability, age, physical maturity, emotional and social development, social problems, home conditions and grade average. Promotion procedures demand continuous analysis and study of the cumulative student case records. Students may also be assigned to a grade if a teacher sees that all factors have not met satisfactory requirements. No student will be promoted to the fourth grade if she/he attained a score in the range designated by O.R.C. 3310.0710 (A)(3) on the State mandated assessment except in accordance with the provisions of Policy 2623.02 – Third Grade Reading Guarantee or in accordance with State law.

CONFERENCES

Parent/Teacher conferences are scheduled twice a year. Parents who wish to confer with a teacher or a team of teachers at other times of the year should call the school to set an appointment. These conferences enable us to develop an active partnership between the school and parents/guardians.

PARENT COMMUNICATION

It is reasonable to expect that parents may occasionally have inquiries, complaints or concerns. Such concerns can best be addressed if taken initially to those persons closest to the problem. Normally, this means talking the matter over with the teacher first. The vast majority of problems can be resolved at this level. However, if after talking with the teacher the parents want to carry the concern to the building administration (assistant principal and/or principal), the parent should call the office, advise him/her of the situation and/or arrange an appointment to further discuss the matter. You can contact teachers at school via his/her email address. First type in his/her first initial then last name followed by @barbertonschools.org or feel free to call the teacher at school and leave a voicemail message. The school's phone number is listed in this booklet.

SECTION III – STUDENT ACTIVITIES

OUTSIDE RECESS

1. Recess is part of the daily school schedule. We ask for your cooperation in providing proper clothing for your child (coats, hats, gloves, etc. when cold)
2. During inclement weather such as severe cold (wind chill of 20 degree F and below), rain, snow, ice, or other unsafe conditions recess will be moved indoors.
3. If children are restricted from recess there must be a written note from the physician on file. Exercise and fresh air improve academic performance.

FIELD TRIPS

Teachers plan field trips that are both fun and educational for the children. Teachers often need parent volunteers on the trips, and chaperones will be chosen on a first come, first serve basis. Please return permission slips as soon as possible after they are sent home. No student is allowed to attend a field trip with his/her class unless the permission slip is signed and returned to the teacher and all forms on final forms completed.

PARTIES, CELEBRATIONS, and BIRTHDAYS

Teachers may have class parties/celebrations from time to time. The room parents' job is to be available for any number of things; to help coordinate parties and activities, and to seek volunteers for field trips and events. Being a room parent is a great way to be involved in your child's school life. All volunteers that work with children are required to be fingerprinted. If you are interested, please contact the schools' parent organization.

We all love a birthday or holiday celebration, but it is important to remember good nutrition when bringing in snacks for your child and their schoolmates. Due to allergies, all treats must be store bought and pre-packaged.

Try to avoid high-sugar, high-fat treats; that's not to say you can't bring candy or chips once in a while. But try to make your regular snacks more nutritious by choosing snacks that are Whole grain Rich and low in sodium.

For more information on nutrition for you and your children visit www.choosemyplate.gov. Another great website to look at is: <https://www.healthiergeneration.org>

FINGERPRINTING

All volunteers are required to be fingerprinted prior to working with children, chaperoning field trips, or serving as a room parent for parties. There is no charge for volunteers. Fingerprinting is done at the Administration Building. Results may take days and/or weeks so plan to get your prints done in plenty of time before the event you wish to participate in. Call 330-753-1025 for available days and times.

NON-SCHOOL ACTIVITIES

Plans for student participation in non-related school activities, such as birthday parties and scouts, must be arranged at home. Distribution of party invitations and phone calls are not permitted at school.

PARENT TEACHER ASSOCIATION (PTA) / WATCH D.O.G.S.

Barberton Intermediate School has active parent organizations, which provides valuable service and support to the school. Parents are encouraged to become active members. There are many different opportunities for parents to volunteer in the schools.

YEARBOOKS

Yearbooks are an option provided by the school and/or its Parent Organization to parents/guardians if they wish to purchase. Flyers will be sent home when the yearbook sale begins.

SCHOOL SPIRIT

School spirit may be divided into three categories:

1. Courtesy – toward teachers and fellow students.
2. Pride – in everything our school endeavors to accomplish and has accomplished.
3. Sportsmanship – The ability to win or lose gracefully. School Spirit means loyalty to all functions of the school. A loyal student supports his/her school.

CHROMEBOOK POLICY BHS Chromebook Acceptable Use/Student Pledge Form

Revised June 2016

The purpose of the Barberton City Schools Chromebook Program is to prepare students for their future, in a world of digital technology and information. In this 21st century, excellence in education requires that technology is seamlessly integrated throughout the educational program. Increasing access to technology is essential for that future, and the learning tool we have chosen for students is the Chromebook computer.

The individual use of Chromebooks is a way to empower students to learn at their full potential and to prepare them for real-world situations in college and the workplace. The use of this technology encourages students to solve problems and think critically by stimulating analytical thinking and creativity. Learning results from the continuous, dynamic interaction among students, educators, parents and the extended community.

It is important to note that technology immersion does not diminish the vital role of the teacher. To the contrary, it transforms the teacher from a director of learning to a facilitator of learning.

The policies, procedures and information within this document apply to all Chromebooks used in BCSD, including any other device considered by the administration to come under this policy. Teachers may set additional requirements for Chromebook use in their classroom.

Chromebook Identification

- Student Chromebooks will be labeled in the manner specified by the school.
- Students are not to remove any ID/SN labels on the Chromebook. If labels come off, students must contact a teacher for a replacement label immediately.

Taking Care of Your Chromebook

Students are responsible for the general care of the Chromebook they have been issued by the school. If a student finds that his or her Chromebook is broken or fails to work properly (for reasons other than those stated below), the student should notify a teacher immediately.

If a student Chromebook is damaged purposely or accidentally by another student in the building, then the other student will be held liable. However, if the original student responsible for the Chromebook refuses to tell a teacher or administrator the name of the peer at fault, the student who the Chromebook is assigned to will be held responsible for any damages.

Chromebooks Left in Unsupervised Areas

Under no circumstances should Chromebooks be left in unsupervised areas. Unsupervised areas include the school grounds and campus, the lunchroom, locker rooms, library, unlocked classrooms, dressing rooms and hallways.

- If a Chromebook is found in an unsupervised area, it will be taken to the Main Office.
 - If a student leaves his or her Chromebook unsupervised, they may be subject to losing Chromebook privileges for the remainder of the year.
 - Chromebooks are not to be taken to the weight room, gym, lunch/cafeteria, or locker rooms at any time.
 - If the Chromebook is stolen due to negligence, the student could be held responsible for the replacement of the Chromebook.
- General Precautions***
- Students are not to loan their Chromebooks to anyone.

 - Do not close the screen with papers in-between, this could crack a screen.
 - Do not poke the screen.
 - Clean the screen only with a soft, dry cloth or anti-static cloth.
 - Failure to comply with the General Precautions may result in students losing Chromebook privileges. Students will return to traditional paper/pencil activities and projects.

Chromebook Technical Support

- Should students experience technical issues with the Chromebook, they are to contact their teacher for support.
- If the teacher cannot resolve the issue, the teacher will contact the IT department via the IT Help Desk ticketing system.

Using Your Chromebook at School

Chromebooks are intended for use at school each day. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars and schedules may be accessed using the Chromebook.

Students who are riding to and from school on District-provided transportation must follow all basic safety rules.

BUSES

Buses will run daily. Students must pay close attention to the time schedule and location of their bus stop. All students being transported are under the authority of the bus drivers and must obey their requests. State law mandates that only pupils assigned to a bus may ride that bus.

Students must get on and off the bus at their designated stop. They must stay well away from the curb and wait for the bus to make a complete stop before trying to board. Students shall take their seats as soon as they enter the bus and shall remain seated until the bus is stopped at their stop.

Students will talk in tones that will not distract the driver from making a safe bus run. Students will not eat any food or drink any beverage while on the bus. Students will not leave any litter on the bus or throw anything inside the bus. Cell phones must be turned off and in students' backpacks. Misbehavior on the bus will not be tolerated – the State Board of Education regulations provide for the suspension, expulsion, and immediate removal of a pupil from school bus riding privileges.

Some Barberton City school buses are equipped with video camcorders, which provide for sound as well as pictures. Any and all information obtained by viewing tapes can and will be used in investigations and possible punishments for improper behavior. This represents a way to provide a safe environment for all of our students. The school bus driver shall be in charge of the bus at all times and shall be responsible for order.

If you plan to pick up a child that normally rides the bus you must send in a written note. Please do not rely on your child to tell his/her teacher because children often become confused and relay information incorrectly. If no written note is received, your child will be sent home by his/her usual method of transportation.
