

HEALTHY BREAKFAST

HEALTHY KIDS!

Studies indicate students who eat breakfast are more alert and attentive. They are less likely to cause discipline problems; they perform better in the classroom and on tests, and are less likely to complain of headaches and stomachaches.

The school breakfast program guarantees that your child gets a nutritious morning meal. Recognizing how important it is for students to have a nutritious breakfast, Barberton City Schools Food Service Department offers breakfast daily in all schools.

The Breakfast Program is **FREE** for **ALL** Barberton City School Students for the 2021-2022 school year!
