Dear Future Cigam Staffer,

Welcome to the team! It's with great pleasure that I welcome each of you as you embark on this journey with us.

As members of the Cigam staff, you hold a significant role in preserving memories. Whether you're interested in photography, design, writing, or simply want to contribute your creativity, your talents are invaluable to the success of our yearbook.

Please find attached the summer assignments. These are due by Sunday, August 23. Please email me with any questions. While I do not check my email daily in the summer, I will do my best to respond to you in a timely manner.

Sincerely,

Mrs. Heather Weeks
