DECEMBER 2020

Remote Instruction

In order to give us a safety cushion of six days from the actual holiday-to the return of students into our building, all students will participate in remote learning from home on Monday, November 30th, Tuesday, December 1st and Wednesday, December 2nd. Students will then return to in person learning on Thursday, December 3rd.

Remote Instruction for the 3 days will be live teaching. Attendance will be taken all 3 days. Students will use their Chromebooks to get onto google classroom and then will log into their teacher's google meet at 9:30am each day. Students have practiced this with their teachers and know how to do this. Students will have a lunch break and another scheduled break throughout the day. The student's school day will officially end at 3:00pm each day.

Teachers will send out a more specific schedule for their individual classrooms for these three days ahead of time so everyone is on the same page. If you have any questions do not hesitate to contact your students teacher or the school office.

***Remote learners will continue with their normal schedules.

Thank you to The University of Akron and Wells Fargo

Recently, The University of Akron, with funding from Wells Fargo, provided our 4th grade students here at BEE with a hands-on financial literacy instructional program. Students were educated in some of the following financial based areas:

- Earning Power
- Meaning of Money
- Needs and Wants
- Planning for a Pet
- Savings

This was an awesome opportunity for our students and we are extremely appreciative of Wells Fargo and The University of Akron for thinking of us.

Thank you!

Family Night

One day each month the Barberton City Schools will have a district wide family night. This night will occur on the second Tuesday of the month. On family night, students will receive no homework as our goal is to give families a night with no school obligations in which they can spend some time together as a family. For the month of December, family night is Tuesday, December 8th. BEE is asking families to spend some time that evening as a family talking about the things going on in your student's life both in and out of school.

Kindness Week

Kindness Week for the month of December is December 7-11. The theme for Kindness Week in November is:

“Thinking before you act”
