FEBRUARY 2023

SCHOOL FUNDRAISER

On February 7th we will be kicking off our school fundraiser. This Fundraising Drive is very important for our school and we hope that you will give us your support to make it an overwhelming success again this year. Your students will be receiving and bringing home the catalogs from which we will be selling. Your student will also be bringing home an order form and our prize program information that day. You will also receive information about registering to sell online.

Our school will make up to 50% profit on every item that we sell, and your students will have the opportunity to win some fantastic prizes. We hope that you can help get the word out and promote our sale. If you have out-of-town family and/or friends they will have the option to have their orders shipped directly to their homes. Our goal is to have as many families as possible participate in our fundraiser. Money earned through this fundraiser is used to directly benefit the students in our building through the purchase of supplies, instructional materials, student rewards and prizes, assemblies, guest presenters and field trips, among other things. With your support, we will be able to provide many fun and educational activities throughout the school year.

Thank you in advance for your support!!

Due to time constraints not all families will have conferences that evening, so if you do not hear from your student's teacher and would like a conference please reach out to them to schedule one.

February Kindness

Each month at Barberton Intermediate we will focus on a kindness related theme to discuss with our students.

Please review these concepts with your students at home as well. For the month of February our focus will be on:

SPREADING KINDNESS

Definition: *being friendly, generous, and considerate to others.*

Synonyms: *goodwill, affection, kind-heartedness, kindness, concern for others.*

Kindness
STARTS WITH
you.

Family Night

One day each month, the Barberton City Schools will have a district wide family night. This night will occur on the second Tuesday of the month. On family night, students will receive no homework as our goal is to give families a night with no school obligations in which they can spend some time together as a family. For the month of February, family night is scheduled for Tuesday, February 14th. Barberton Intermediate is asking families to spend some time that evening together, talking about the things going on in your student's life both in and out of school.
