## WINTER WEATHER ADVISORY

Families, now that winter is beginning to rear its blustery head, we want to remind everyone that students do go outside for recess as long as the wind chill is above 20 degrees and the playground/blacktop conditions are safe. Please be sure your children are dressed appropriately for the weather with a winter coat, hats, and gloves so they can safely participate in outdoor recess. If you are in need of assistance to get winter gear for your student, please let us know and we will do our best to help.
