SUMMER EXTRAVAGANZA 2021

BEE Families

This summer, the Barberton City Schools will be revamping our summer school to provide students with more opportunity to reinforce and refine their academics, but also to include some exciting afternoon activities as well. The BCSD has teamed up with many local community organizations to create the BCSD Summer Extravaganza! There will be summer school options in both June and July this summer. The district will be sending out more specifics in the coming weeks. We hope that many of our BEE families and students will take advantage of this great opportunity. If you have any questions you can contact the BCSD curriculum department or the BEE school office.

We Are About to Kick Off!

Heroes are never alone, they band together! Our school has decided to take on blood cancer and our mission is to help find a cure. Be on the lookout for more information in the upcoming days as we kick-off our **Hero Squad** program on May 3rd!

By participating in **Hero Squad**, your student will learn about teamwork, bravery, social awareness, and will become part of a Squad that supports blood cancer patients, letting them know they are not alone. **Hero Squad** emphasizes the importance of social and emotional learning and gaining the experience of helping both children and adults in their fight against blood cancer right in our community.

You and your student can get started by visiting <https://events.lls.org/pages/noh/Barberton-Elementary-Sch-East-2021> and joining their classroom to set up a page of their own. Help your student develop goal-setting, self-motivation and organizational skills and they will earn fun Hero Gear at various fundraising levels! Every hero needs a squad!

DO YOUR JOB

Family Night

On family night, students will receive no homework as our goal is to give families a night with no school obligations in which they can spend some time together as a family. For the month of May, family night is Tuesday, May 11th. BEE is asking families to spend some time that evening as a family talking about the things going on in your student's life both in and out of school.

Kindness Week

Kindness Week for the month of May is May 10-14. The theme for Kindness Week in May is:

“Teamwork”

Teamwork is the ability to work with others to reach a common goal.

PTA BOOKFAIR

The BEE PTA will be having a virtual book fair that will run from May 10th-May 23rd. To access the book fair follow the link below.
