## 2022-2023 School Year

As we close in on the end of the 2021-2022 school year, the BEE staff wants to thank all of our parents, guardians, students, and family members for your efforts in helping us make this another successful year at BEE. A reminder that next school year we will be embarking on building reconfiguration. All kindergarten, 1st, and 2nd grade students will attend Barberton Primary School located at 1151 Shannon Ave. All 3rd, 4th, and 5th grade students will attend Barberton Intermediate School located here, at 292 Robinson Ave., and all 6th, 7th, and 8th grade students will attend Barberton Middle School located at 477 4th St. NW. Information about start and end times, arrival and dismissal procedures, transportation, and student schedules will be shared by all buildings as the next school year approaches. If you have any questions about the reconfiguration you can reach out to your student's individual school buildings or the administration office. Remember, as always, ***we are all Magics!***
