May Kindness

Each month at Barberton Intermediate we will focus on a kindness related theme to discuss with our students.

Please review these concepts with your students at home as well. For the month of May our focus will be on:

'Showing Patience'

Definition: *the ability to accept or tolerate delay, trouble, or suffering without getting angry or upset.*

Synonyms: *tolerance, restraint, fortitude, under standing, composure*

Family Night

One day each month, the Barberton City Schools will have a district wide family night. On family night, students will receive no homework as our goal is to give families a night with no school obligations in which they can spend some time together as a family. For the month of May, family night is scheduled for Tuesday, May 9th. Barberton Intermediate is asking families to spend some time that evening together, talking about the things going on in your student's life both in and out of school.

NEXT PTA MEETING:

Monday, May 8th

4:00pm BIS Cafeteria

THANK YOU BIS PTA!

On behalf of the Barberton Intermediate School staff, students, and families, I would to send a sincere thank you to our Barberton Intermediate PTA for all their work and efforts in supporting our students and staff throughout the 2022-2023 school year. We are very luck to have an active PTA that supports our students and teachers and also puts on extremely fun and exciting events. We look forward to that continuing into the future!
