- Santa Shop - December 16-19
- Family Literacy Night - December 17
- No School (Winter Break Begins) - Friday, December 20
- School Resumes - January 7

## Parent Teacher Conferences

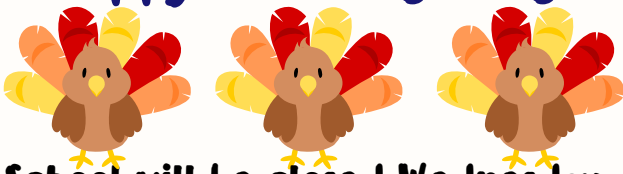

Parent Teacher Conferences will be coming up soon. This is a time when teachers meet with families and share valuable information about their student. Teachers have been doing daily checks with your student to see how they are progressing on skills needed to be Kindergarten Ready. You can ask questions and contribute to the conversation on how to best prepare and support your student.

We hope to see all our families attend Parent Teacher Conferences this month!

## Happy Thanksgiving!!

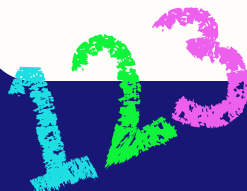

**School will be closed Wednesday, November 21-November 30. We will see our students back on Monday, December 2.**

## Tips for Learning At Home

As you drive around or walk through a store, point out the print you see...like STOP on the stop sign or the name on the cereal box (Lucky Charms).

Point out objects in the house and ask what shape it is....what shape is the table, the TV, the door.

# The Magic Way

**Be Respectful**

**Be Responsible & Safe**

**Be Ready to Learn**

**Be kind**

## Where the Magic Begins! Attendance

Daily attendance to school is important to student success - especially at an early age. While we do want students to stay home when they are sick (fever, vomiting, flu, etc.), families should make every effort to have students attend daily. Developing good attendance habits at an early age will be a skill students will use throughout their life!

Benefits of daily attendance include -

- Establishing daily routine
- Building relationships with other peers and adults
- Learning appropriate social and emotional skills
- Engagement in developmental activities
- Become responsible for their learning
- Learning new skills that will prepare students for Kindergarten

## Winter Break

Winter Break begins on Friday, December 20th. School will resume on Tuesday, January 7th.

We hope everyone has a wonderful holiday break!

## *Cold weather is almost here!*

Students will go outside so PLEASE be sure students are dressed appropriately for the outdoors. They should have a coat, hat and gloves. Boots and a scarf will also help keep students warm. Please put their names in these items so they are not lost.

Students are not outside long, but it does not take long to get cold when not dressed appropriately!
