November Kindness

Each month at Barberton Intermediate we will focus on a kindness related theme to discuss with our students.

Please review these concepts with your students at home as well. For the month of November our focus will be on:

Gratitude

Definition: The quality of being thankful; readiness to show appreciation for and to return kindness.

Synonyms: appreciation, thankfulness, gratefulness

Family Night

One day each month, the Barberton City Schools will have a district wide family night. This night will occur on the second Tuesday of the month. On family night, students will receive no homework as our goal is to give families a night with no school obligations in which they can spend some time together as a family. For the month of November, family night is scheduled for Tuesday, November 8th. Barberton Intermediate is asking families to spend some time that evening together, talking about the things going on in your student's life both in and out of school.
