April 2025  
Volume 1, Issue 8

Happy Spring!

It is hard to believe that we are in our final quarter of the 24-25 school year. You should have received your child's quarter 3 report card. If you have any questions, please reach out to your child's teacher. If the report card states retention is being considered, please know that data is being collected and a final decision will be made closer to the end of the school year. We want to provide every child with enough time to grow and show us what they know.

We have had so much to celebrate this last quarter. We had our **Golden Ticket** Ceremony and honored all our students

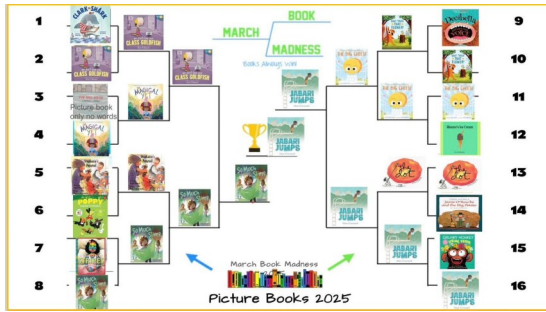

who are outstanding role models here at school.

Students from Animal Club, Coding Club and K-Kids had the opportunity to present what they are learning and doing after school with the **Barberton Board of Education**.

We will be having our **Alice (Dangerous Persons) Drill** during the month of April. The students are learning about the drill during Health class and the teachers have been practicing with the students. Once the date is confirmed, a message will be sent home.

With May right around the corner, please make sure that your child's **Final Forms** are completed. We do not want any student unable to attend a field trip or fun activity because their emergency medical forms are incomplete.

With all the fun things at the end of the year, please remind your child that they must have **good behavior** at school in order to participate in these activities. Most students are expected to have 80% green DOJO up to the event, in order to participate.
