WHEREAS, this Board finds that the amount of taxes which may be raised within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide an adequate amount for the necessary requirements of the School District and that additional moneys will be required for that purpose; and

WHEREAS, in order to assist it in determining whether to submit to the electors of the School District the question of an additional ad valorem property tax pursuant to Section 5705.21 of the Revised Code or the question of a school district income tax pursuant to Section 5748.02 of the Revised Code, this Board wishes

to know the respective rates at which it would be necessary to levy (i) an ad valorem property tax, and (ii) a school district income tax on taxable income as defined in Section 5748.01(E)(2) of the Revised Code, to produce an additional amount that will be adequate to meet the necessary requirements of the School District; and

WHEREAS, in accordance with Section 5748.02(A) of the Revised Code, upon receipt of a certified copy of a resolution of this Board declaring the necessity of raising annually a specified amount of money for school district purposes, the State Tax Commissioner is to estimate both the ad valorem property tax rate that would have to be imposed by this Board in the current year and the school district income tax rate that would have had to have been in effect for the current year to produce an equivalent amount of money;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Barberton City School District, County of Summit, State of Ohio, that:

Section 2. Request for Certification.
