## The School and Family Partnership

We've all heard the phrase "it takes a village to raise a child." This is never more true than when it comes to the education of children. In the Barberton City Schools we have teachers, tutors, aides, counselors, custodians, food service workers, administrative assistants, principals, assistant principals, volunteers, student resource officers, school nurses, bus drivers, academic coaches, district administrators, maintenance staff, social-emotional partners, and other education professionals that work with and for your children each and every day. We all have one goal in mind, to facilitate the success of your student.

The most important "village" members are you, our students family members. Your student and us need your support in order for your student to maximize their growth and achievement potential this school year. To do this, please help by doing the following :

- Make sure, when healthy, your student's are at school each day and on time to school.
- Ask them about their day, specifically what they learned (don't accept "nothing" or "I don't know" as a response).
- Practice math facts and read and write with your student's while at home.
- Communicate with your student's teachers about their progress throughout the year.

# DO YOUR JOB

### B.I.S. PLEDGE

*I will do my job by following  
the Magic way.*

*I will be respectful, responsible  
and safe, and ready to learn.*

*If I see, or hear something wrong,  
I will say something to an adult.*

Each day our students say the above BIS pledge to start the school day. We talk with our students about this pledge being a promise they make each day to themselves, their classmates, the staff, and their families that they will do their best to make good choices both in and out of school.

## September Kindness Theme

Each month at Barberton Intermediate we will focus on a kindness related theme to discuss with our students. Please review these concepts with your student's at home as well. For the month of September our focus will be on:

### *Integrity*

Definition: *adherence to a moral code.*

Synonyms: *honesty, decency, morality, goodness*

## Family Night

One day each month, the Barberton City Schools will have a district wide family night. This night will occur on the second Tuesday of the month. On family night, students will receive no homework as our goal is to give families a night with no school obligations in which they can spend some time together as a family. For the month of September, family night is Tuesday, September 13th. Barberton Intermediate is asking families to spend some time that evening together, talking about the things going on in your student's life both in and out of school.

## **BIS PTA Meeting**

Our first Barberton Intermediate PTA Meeting is Monday, September 12th at 6:30pm here at the school.

Hopefully you can join!

## **PTA Spirit Week**
