The School-Family-Student Team

In the Barberton City Schools, we have teachers, tutors, aides, counselors, custodians, food service workers, administrative assistants, principals, assistant principals, volunteers, student resource officers, school nurses, bus drivers, academic coaches, district administrators, maintenance staff, social-emotional partners, and other education professionals that all work with and for your children each and every day. We all have one goal in mind, to facilitate the success of your student.

However, the most important members of your student's support team are you, our students family members. Our staff along with your student need your support to maximize your student's growth and achievement potential this school year.

To do this, please help by doing the following :

- Make sure, when healthy, your student's are at school each day and on time to school.
- Ask them about their day, specifically what they learned (don't accept "nothing" or "I don't know" as a response).
- Practice math facts and read and write with your student's while at home.
- Communicate with your student's teachers about their progress throughout the year.

DO YOUR JOB

B.I.S. PLEDGE

*I will do my job by following
the Magic way.*

*I will be respectful, responsible
and safe, and ready to learn.*

*If I see, or hear something wrong,
I will say something to an adult.*

Each day our students say the above BIS pledge to start the school day. We talk with our students about this pledge being a promise they make each day to themselves, their classmates, the staff, and their families that they will do their best to make good choices both in and out of school.

September Character Trait

Each month at Barberton Intermediate we will focus on a positive character trait to discuss with our students. Please review these concepts with your student's at home as well. For the month of September our focus will be on:

Courage

Definition: *the ability to do something that frightens one, overcoming fear.*

Synonyms: *bravery, fearlessness, nerve, boldness, determination.*
