The resolution follows careful evaluation of all other available options prior to consideration of impracticality.

**WHEREAS** the student(s) identified below have been determined to be residents of this school district, and eligible for transportation services; and

**WHEREAS** after a careful evaluation of all available options, it has been determined that it is impractical to provide transportation for these student(s) to their selected school(s); and

**WHEREAS** the following factors as identified in O.R.C. §3327.02 have been considered:

1. The time and distance required to provide the transportation
2. The number of pupils to be transported
3. The cost of providing transportation in terms of equipment, maintenance, personnel, and administration
4. Whether similar or equivalent service is provided to other pupils eligible for transportation
5. Whether and to what extent the additional service unavoidably disrupts current transportation schedules.
6. Whether other reimbursable types of transportation are available; and

**WHEREAS** the option of offering payment in lieu of transportation is provided in Revised Code:

**THEREFORE BE IT RESOLVED**, that the Barberton Board of Education as follows:

### **Section 1**

After fully and carefully considering each of the factors listed above, the Board hereby affirms the determination that it is impractical to transport the students listed as attached for the 2023-24 school year, and further hereby offers the parent(s)/guardian(s) payment in lieu of transportation.
