- A. To approve the Mask Resolution.

Whereas, under Board Policy and the Ohio Revised Code, the Superintendent has the authority to implement a mask mandate; and

Whereas, the Superintendent did so on September 2, 2021 with such mandate taking effect on September 7, 2021; and

Whereas, the Board of Education of the Barberton City School District hereby ratifies the decision of the Superintendent.

Therefore, it be resolved as follows:

1. Universal masking shall be required for all students grades preschool through grade 12 and grade 23, staff members and visitors while in District buildings.
2. The district will make exceptions for the following: (1) individuals with disabilities who cannot wear a mask or cannot safely wear a mask for reasons related to the disability; (2) individuals who have a medical condition that prohibits wearing a mask (with a signed physicians order); (3) when wearing a mask would create a risk to workplace health, safety or job duty; (4) when mask wearing is not appropriate in the school setting, such as when actively eating or drinking, when instruction so requires (e.g., band, choir), or while

actively competing in indoor athletic competition; and (5) when otherwise required under the law, health orders, or regulations.

3. Passengers and drivers on all school transportation shall wear masks when required by applicable laws, health orders, and regulations.
4. This resolution will be periodically reviewed by the Superintendent and the Board of Education to determine the need to continue or discontinue this mandate based upon current conditions of the COVID-19 pandemic.
