Stimulating academic and camp activities give Barberton students a competitive edge.

They are created by the area's best organizations for fun, healthy and educational activities.

National Inventors Hall of Fame

Open Mic™ : Reverse engineer a wireless microphone. Use the Camp Invention Design Thinking Process™ to design and promote your inventions.

Duck Chuck™ : Build and test a device to launch rubber ducks around the world using physics concepts like trajectory and velocity.

SolarBot™ : Explore circuitry, engineering and the science of sound—then make solar-powered robotic crickets—all while studying cricket habitats.

Road Rally™ : Learn about energy, fuel and movement, then design vehicles that can travel across land, air and water.

Design Thinking Project™ : Transform ideas into real products by collaborating, brainstorming, sketching and building prototypes—even designing product logos!

Rescue Squad™ : Experiment to clean up polluted water, protect vulnerable habitats and learn how parachutes safely transport animals.

Author Conrad Stord

Like to write? You'll love this writing workshop with the national award-winning author of science and nature books for children and young adults.

Barberton Parks & Recreation

Safe and supervised kayaking, canoeing, paddle boarding, arts and crafts, hiking as well as kickball, softball, basketball and more.

Barberton Public Library

Win prizes for reading great books in our Summer Reading Club! We also offer storytimes, games, art projects and more.

BOYS & GIRLS CLUBS
OF NORTHEAST OHIO

Boys & Girls Clubs

Lots of sports & recreation, character development, arts & crafts, and STEM activities—plus great speakers and field trips!

Kent State University

For grades 7-9: *What's Life Like After High School?* Explore options, career ideas and more with Kent State students and staff!

Lake Anna YMCA Swimming

Safety Around Water (SAW) teaches children lifelong aquatics skills plus other sports, arts, STEM, nature and leadership activities.

Magical Theatre Company

Who doesn't love improv? Some comic acting? Build speaking, movement, and creative skills into performing improvisational scenes.

Soapbox Derby

Design, build, race and take home a Mini Soap Box race car. Participate in a variety of fun, hands-on STEM projects.

Social-Emotional Wellness

Learn and practice the best ways to respond to everyday stresses from our partners, the area's best behavioral health experts.

Sports Extravaganza (Barberton Athletics)

Participate in different sports each day – including archery, tennis, football and more. Led by Barberton coaches and students.
